

## IIIExCRCE

### **About IIIExCRCE:**

The Indian Institution of Industrial Engineering (IIIE) is a National Council founded in 1957 as a non-profit organisation and a Registered Society for propagating the profession of Industrial Engineering in India and is a Registered Public Trust under the Bombay Public Trust Act, 1950. It is dedicated to the advancement of Industrial Engineering Education and practice and to the application of such scientific knowledge to assist in the management of all endeavours. The Institution has Thirty Four Chapters established all over India. The Graduateship Examination conducted by the Institution is recognised by the Government of India as equivalent to a Bachelor's Degree in Industrial Engineering. The IIIE has Instituted many honours and awards for various achievement and outstanding contribution to the IE Profession.

The council was formed on 1st November 2017 and has been active since. The teachers incharge of the council activities are Prof. S.K.Das, Prof. M.V.B.Rao and Dr.Bhushan Patil, who have been a very strong driving force for the IIIExCRCE council.

IIIExCRCE has had a great feat till date. This has been possible because of the determination, aspiration and a belief to work towards something that helps the students and the community as a whole by all the team members.
