1. Soft Skill Development

Soft skills are the abilities and skills that help students to become a complete professional and offers better employment opportunities in corporate sectors across the globe. By considering increased global demand for soft skills, institute organizes programs to acquire adequate Soft-skills beyond academic and technical knowledge. This year a special training for vernacular medium students has been organized by Prof. Dr. Joseph Rodrigues, Fr.CRCE, Bandra.

The first year curriculum focuses on laying a foundation on the English Language Skills. During the Second Year, the training focuses on Self-Management and People Skills, which include program on Personality Development, Presentation Skills, Goal Setting, Confidence Building, Conflict Management, Inter-Personal Skills, Negotiation Skills, Team Building and Decision Making. Faculty explains the importance of well-balanced ratio of interpersonal skills with technical knowledge offers good placement jobs.

2. Language Lab and Communication Skills

Language Lab of FRCRCE organizes different sessions to enhance communication skills of students. It helps to improve the students Listening, Reading, Speaking and Writing skills. The main activities are Public Speaking/ Extempore sessions for improving oratory skills, Role plays to understand the importance of working in a team and have better inter-personal skills. Further it motivates students for SWOT analysis for better understanding of them. Communication skill faculties have conducted Spoken English Classes in coordination with Times of India, Motivational Movie Session for observing and improving inter-personal skills. Further to improve Employability Skills, it gives practice for Resume Building, Group Discussion, and Personal Interviews to have better performance in placements. Language lab consist of 20 PC of good configuration with headphone facilities and “Clarity” software which offers a very innovative range of customized English teaching software courses having a rich multimedia content and strong emphasis on key learning areas of study skills, listening, grammar, speaking, IELTS preparation, reading, writing, , exam preparation, pronunciation, authoring, integrated skills.

3. Yoga & Meditation

Yoga and meditation brings together physical and mental disciplines to achieve a peaceful body and mind. It helps to manage stress and anxiety and keeps us relaxing. Yoga is the best medicine for mental, physical and spiritual health. So, to spread the benefits of Yoga, International Yoga Day is celebrated on 21st June at FRCRCE. Yoga practitioners are invited to teach and to spread the benefits of yoga. Different yoga postures, Chair yoga and easy Asanas are taught and practiced by Yoga teachers. All teaching & non-teaching staff as well as students take part in yoga.

YOGA DAY

Report

21 JUNE 2019

FR.CONCEICAO RODRIGUES COLLEGE OF
ENGINEERING
BANDRA, MUMBAI

EVENT: International Yoga Day

DATE: 21 June, 2019 (Friday)

DURATION: 09:00 a.m. to 11:00 a.m. (2 HOURS)

VENUE: SAMVAD, FR.CRCE, BANDSTAND, BANDRA (W)

NUMBER OF PARTICIPANTS: 60-70 (including our Principal, Heads of Department, professors and the students)

The International Yoga Day was celebrated in our college, Fr. Conceicao Rodrigues College of Engineering on 21 June, 2019 (Friday) as an attempt to cultivate discernment, awareness, self-regulation and higher consciousness in the students, to train their body and mind to self observe and become aware of their own nature.

The session was conducted by:

Holistic Training and Development Centre (NGO) that aims to empower individuals to get in touch with their core personalities and further teach them skills which would help them live a happy and blissful life.

- Mrs. Namratam S Kandoi, the founder and director of the HTDC NGO.
 - MA in Clinical Psychology, Mumbai University, India
 - Trained many Psychology students and graduates in Clinical Hypnotherapy and other Alternative healing modalities
 - Has extensive 18yrs experience in the field of training, having conducted over 1000 Soft Skills workshops and 700 Healing and Therapeutic workshops across the Country and Internationally for various Schools, Colleges, Corporate and NGOs.
 - She also into Therapy and Healing sessions for extensive cancer cases Pre & Post operatively at BSES MG Hospital in close co-ordination with Dr. Ashok Mehta, Medical Director, BSES-MG (Global) Hospital
- Mrs. Mamta Agarwal : Instructor for the session (Yoga Trainer | Nutritionist | Dietitian)
 - Specialised in: pranayama/ meditation/ power yoga/ yoga with weights/ pilates/ chakra healing/ detox yoga/ facial yoga/ pre-natal yoga post-natal yoga/ diet*

The event began with the Girls Sports Secretary, Miss. Simran Dsouza giving a brief introduction about Yoga and introducing the HTDC NGO , it's founder and director Mrs. Namratam S Kandoi and the Yoga Instructor Mrs. Mamta Agarwal , followed by welcoming them with a bouquet of flowers. This was followed by a small and interactive talk by Mrs. Namratam S Kandoi who gave us valuable information about how Yoga benefits in our daily lives and shared a few stories about her previous sessions. After the talk Mrs. Mamta Agarwal demonstrated a few simple Asanas. The staff and the students followed her demonstrations and had a peaceful Yoga session. The audience showed great interest and participated in the various asanas with full cooperation.

The following asanas were taught to the participants:

- Breath Retention **Kumbhaka**
- Channel-Cleaning Breath **shodhana**
- Deer Seal **Mrigi Mudra**
- Lion Pose **Simbhasana**
- Kati sanchalan
- Ghutnasanchalan
- Thadasan
- Vrukshasan
- Padh-hasthasan
- Ardhchakrasan
- Thrikonasan
- Bhadrasan
- Vajrasan
- Ardhushtasan
- Uthaanpadhasan
- Ardh-halasan
- Pavanmukthasan

- shavasan
- Kapalbhaati
- Shithathnipranayama
- Bhramripranayam
- Dhyaan

Later after the yoga session a small presentation was given by Mrs. Namratam S Kandoi, the founder of HTDC Ngo about benefits of yoga and some of the work done by the NGO for the wellbeing of the community. The event was concluded with the Dr.Srija Unnikrishnan (Principal of Fr. Conceicao Rodrigues College of Engineering) presenting Mrs. Namratam S Kandoi and Mrs.Mamta Agarwal with a small memento.

4. Life skills -Induction program Yoga Day

YOGA REPORT
First Year Induction Program Yoga session Venue: College Samvaad Auditorium Date: 22/08/21 from 1.30pm to 4.30pm
<p>As a part of F E Induction program, Yoga Session was organized on 22/08/2019 from 1.30 p.m to 4.30 p.m. in the college Samvad Auditorium.</p> <p>Ms. Meenakshi Dhariwal and her colleagues from Yoga Institute, Mumbai were resource persons for this program. Yoga is one of the important meditational practice which we have been following since ancient times and has its relevance in the present times when students are facing stressful time in managing their professional studies. The experts from Yoga institute taught simple yogic techniques and meditational practices that brought out the essence of yoga to the students. As per the guidelines from AICTE yoga is the important sessions to be organized for the students admitted to the first year engineering course across India.</p> <p>The session was conducted by Dr. Hemant Khanolkar, Head Departments of Humanities and Science. This session was attended by 140 students and was well appreciated by them. List of student attendee from all five first year engineering divisions is enclosed.</p> <p></p> <p>Dr. Hemant Khanolkar Department of Humanities and Science</p>

5. Bridge Courses-ICT / computing Skills

The main objective to motivate students for advanced ICT /computing skills is to meet the demands of the knowledge driven economies. So there is need to learn new skill with ever-changing digital era. The Aim of motivating students for advanced ICT Skills is, to bridge the gap between subjects of specified by university syllabus and industry requirements. Further institute encourage students for Bridge Courses so that students to have a smooth transition from college to industry and can learn advanced ICT skill required by Market to fit for job.

Institute has initiated Courera for Campus and NPTEL local chapters for the betterment of Students. Our students had completed different courses on Block chain, AI and Deep learning, Machine learning, Android, Social media marking and various courses like NPTEL, COURSERA,UDEMY, MOZILLA,BOOTSTRAP and other software courses to get well acquainted with latest technologies.

 for Campus

Hi Mahendra Mehra,

Thank you again for expressing interest in Coursera!

Our mission is to transform lives through learning, and we want to help your students by offering courses online to minimize the impact of the coronavirus on their education. We are glad to be able to support your community with this response initiative. We're excited to let you know that your Coursera for Campus program is ready and You can access your new program(s) [here](#).

The following individual has been provided organization administrator access. They can add additional administrators on your Coursera portal. Shortly, you will receive a separate email inviting you to take a short course on our platform that provides you an overview of all the features of your Coursera for Campus portal. You can review the program, dashboard settings and start adding learners from your campus by inviting

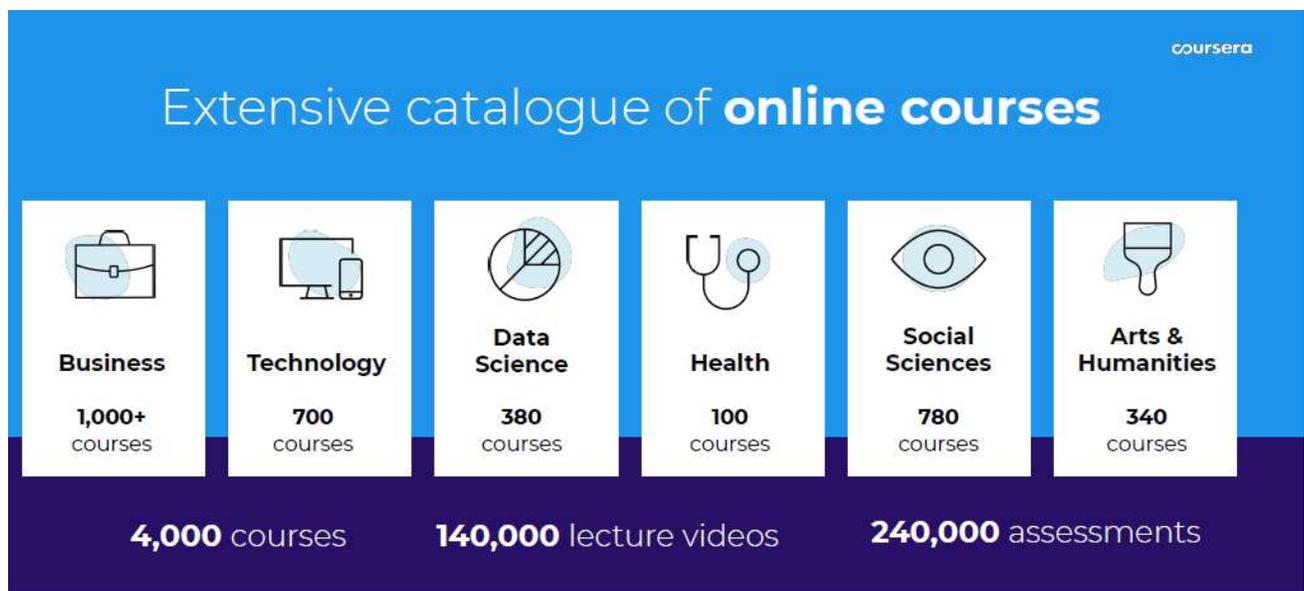

Coursera's **Coronavirus** **Response Initiative**

NVIDIA-BENNETT RESEARCH CENTRE FOR ARTIFICIAL INTELLIGENCE

Prof. Deepak Garg

Head - NVIDIA-Bennett Research Centre for Artificial Intelligence
www.drdeepak.com

Date : 02-04-2018

Dear Dr. Srijia Unnikrishnan
Principal, FR. Conceicao Rodrigues College of Engineering, Mumbai, Maharashtra (India)

It is my pleasure to inform that Royal Academy of Engineering, UK has sanctioned a project titled "Making Deep Learning and AI skills mainstream in India to fulfil trilateral needs of entrepreneurship, Industry-academia partnership and application-inspired Engineering Research" worth £ 3,39,000 GBP. The project start date is 02 April, 2018 and end date is 30 April, 2020.

University College London and Brunel University are our UK partners. NVIDIA, Videoken, Edvantics and AWS Educate unit of Amazon are our Industry Partners.

As per the project structure there are Zonal Partners spread across different states of India, who will be lead institution for 10 more institutions in their surrounding geographical area. As part of this Initiative a five member research group on AI will be established with planned and defined outcomes.

We appreciate the letter of support given by your institution. The obligations and benefits of each Zonal partner are being circulated in a separate sheet.

This document notifies your institution as a Zonal Partner and Dr. Sunil Surve as Lead Contact from your institution.

Any change in Lead Contact should be duly informed. Any defaulting behaviour on key aspects of the projects may lead to the cancellation of Zonal Partner status.

We are continuously trying to further upscale the project in terms of funding, partners and resources. Your continuous involvement will be key to making this project as a key milestone in Artificial Intelligence Revolution in India and also enable your institution to excel.

With sincere regards

Prof. Deepak Garg

TO WHOMSOEVER IT MAY CONCERN

Date: - 20th May 2020

This is to certify that **Varad Patil, Bachelor of Technology (B.Tech)**, student of **Fr Conceicao Rodrigues College Of Engineering**, has successfully completed his internship with **HungerStay** during the period April'2020-May'2020
During the period, he handled

- Creation of API in Node.js
- Doing Front-End work of website using Vue.js

During the course of the internship, **Varad Patil** has shown a great amount of responsibility, sincerity and a genuine willingness to learn and zeal to take on new assignments & challenges. In particular, his coordination skills and communication skills are par excellence, and his attention to detail impressive.
We wish him all the very best for the future.

Personal counseling:

To achieve a positive mental health, institute has full time Professional Psychological Counselor. The main aim is to resolve problems, improve effectiveness, judgmental skills and bring transformation in an individual student. The main objective of personal counseling is to understand the root cause of the problem and help students to face it with confidence. It also helps the students to overcome the fragile and delicate situation that the student may be undergoing. Dr. Joseph Rodrigues, personal counselor of FRCRCE, conducted session named "Path towards right direction" in the beginning of the academic year for the first year students (new comers). The motive of this session is to guide the students with general awareness and alerting them about the ups and downs of engineering studies. Further it has created alertness to keep away from bad company, alcohol and drugs and identify the responsibilities and opportunities in engineering education. Higher semester students get in touch with the counselor with the help of contact number available on the institute website. They are guided for higher studies abroad. Institute provides Personal one to one counseling session; in any aspects; as and when required, 24/7 available for counseling through email, phone call or whatsapp. The parents and students are relaxed and happy to get proper guidance and counseling at the institute as parents put hand to hand with the counselor and workout for the betterment of the student.

5. Remedial coaching

In every semester, class teacher and an individual subject teacher identifies the slow learners based on internal assessment (IA) and attendance of students. Students are asked about the difficulties they are facing in each subject. According to that, remedial lectures or activities are conducted to revise the topic, to solve of important questions from university papers which improve confidence in students. After that individual subjects teaches takes remedial classes and give the assignment to the students to cop up with syllabus and university scheme.

8. Mentoring

Mentoring is an alternative support system and an important part of the curriculum at FRCRCE. Every student on the campus is allocated a mentor and regular mentoring sessions are conducted through the year. Members of the teaching faculty are designated as mentors to groups of students (mentees) and the mentors nurture and care for the mentees and guide them for academic, psychological and professional enhancement. An important point of contact for the student to communicate confidently, the mentor is reachable at all times for supporting students. This year project based learning is implemented for SE to BE students and based on nature of Project different mentors are assigned to mentees.

<p style="text-align: center;">FR. CONCEICAO RODRIGUES COLLEGE OF ENGINEERING Fr.
