5.1.3 Capacity building and skills enhancement initiatives taken by the institution include the following: 1. Soft Skills, 2. Language and Communication Skills, 3. Life Skills (Yoga, physical fitness, health and hygiene), 4. ICT/Computing Skills.

INDEX

1. Soft Skills Development Programs

Soft Skills Development Programs are designed to enhance essential personal attributes and interpersonal abilities that enable individuals to interact effectively with others, succeed in professional environments, and navigate life's challenges with confidence. Unlike technical skills, soft skills focus on emotional intelligence, communication, problem-solving, and teamwork. These programs aim to equip individuals with the tools necessary to improve their social interactions, adaptability, and overall personal development, which are crucial for both personal and professional success.

Soft skills are the abilities and skills that help students to become a complete professional and offer better employment opportunities in corporate sectors across the globe. By considering increased global demand for soft skills, the institute organizes programs to acquire adequate Soft Skills beyond academic and technical knowledge. A special training for vernacular medium students has been organized by Prof. Dr. Joseph Rodrigues, Fr.CRCE, Bandra. The first year curriculum focuses on laying a foundation on the English Language Skills. During the Second Year, the training focuses on Self-Management and People Skills, which include programs on Personality Development, Presentation Skills, Goal Setting, Confidence Building, Conflict Management, Interpersonal Skills, Negotiation Skills, Team Building and Decision Making. Faculty explains the importance of a well-balanced ratio of interpersonal skills with technical knowledge that offers good placement jobs.

Key areas of focus in **Soft Skills Development Programs** include:

1. **Communication Skills**: Effective communication, both verbal and non-verbal, is a cornerstone of soft skills. These programs teach participants how to express themselves clearly, listen actively, and adapt their communication style to different audiences and situations, whether in the workplace, social settings, or public speaking scenarios.

2. **Emotional Intelligence**: Developing emotional intelligence helps individuals understand, manage, and express their emotions in a constructive manner. It also includes recognizing and empathizing with others' emotions, which improves relationships, collaboration, and conflict resolution.

3. **Teamwork and Collaboration**: Soft skills programs emphasize the importance of working well with others, contributing positively to group dynamics, and building strong, productive relationships wit   nvironment where teamwork is often essential to

4. **Leadership and**   s develop leadership qualities such as decision   ers. Leadership training often includes aspects   viding constructive feedback,

1

enabling individuals to lead teams effectively and responsibly.

5. **Time Management and Organization**: Soft skills development also includes learning how to prioritize tasks, manage time efficiently, and stay organized. These skills are vital for improving productivity, reducing stress, and ensuring that tasks are completed within deadlines.

6. **Adaptability and Problem-Solving**: Being able to adapt to change and approach problems with creative and practical solutions is an essential soft skill. Programs often teach how to think critically, analyze situations, and respond effectively to challenges.

In conclusion, **Soft Skills Development Programs** are crucial in shaping well-rounded individuals who are not only technically proficient but also socially adept, emotionally intelligent, and capable of thriving in diverse and dynamic environments. These programs foster personal growth, enhance career opportunities, and help individuals build meaningful relationships and contribute positively to society.

Report on Professional Communication And Ethics:2023-24

Subject Incharge: Dr. Joseph Rodrigues

Sign:

Introduction:

The Language Lab is an integral part of the Humanities and Sciences Department, designed to enhance students' proficiency in English and communication skills. With a focus on improving their listening, speaking, reading, and writing abilities, the lab aims to equip students with essential skills for their academic and professional success. The following report outlines the activities conducted during the year to groom students in communication and interpersonal skills.

1. Activities Conducted

a. Listening Skills

- **Audio Comprehension Exercises**: Students listened to recorded speeches, podcasts, and interviews to develop their ability to understand various accents, tones, and speeds.

- **Listening to Instructions**: Sessions included listening tasks where students practiced following verbal instructions accurately.

- **TED Talk Analysis**: TED Talks were used as material for comprehension and analysis, focusing on identifying key points, tone, and rhetorical strategies.

b. Speaking Skills

- **Effective Presentations**: Students practiced delivering structured presentations using visual aids, receiving feedback on voice modulation, body language, and clarity.

Dasha Duarte   (9891)
Preetham Fernandes   (9892)

● **Group Discussions**: Regular group discussion sessions were conducted to improve critical thinking, fluency, and confidence. Topics ranged from current affairs to technical subjects.

Name: Gayatri Nadar
Subject: PCE
Class: TE Comps A
Roll No: 9922

1. Fashion Show Degrades Womanhood: Opinions were divided on whether fashion shows positively or negatively impact womanhood. Some argued that fashion shows provide a platform for women, creating career opportunities and inspiring others. Others contended that they often set unrealistic beauty standards and encourage objectification, leading to harmful stereotypes. However, some participants noted that trends are evolving, with more focus on diversity and body positivity in recent years. A few also viewed these events as wasteful expenses that cater to luxury rather than substance, questioning their broader social value.

2. Who Serves Our Nation Best – Soldiers or Teachers: This discussion took an interesting turn, with most participants asserting that teachers serve the nation best as they shape the future generation, including soldiers. Many emphasised that without teachers, soldiers would lack essential skills and values. However, a participant from Kashmir shared her perspective, explaining how soldiers safeguard her community in a conflict-prone region, which, to her, makes them the ultimate protectors. This added depth to the debate, illustrating how perspectives on service to the nation can vary based on personal experiences.

3. Should 75% Attendance Be Compulsory: Most students argued against the 75% attendance rule, expressing that they often rely on online resources like YouTube for

- **Role Play**: Role-playing activities simulated real-world scenarios, such as client meetings, teamwork, and conflict resolution, enabling students to apply communication strategies.

Students brain storming for Role play activity

3

- **Mock Interviews**: Students participated in mock interview sessions to prepare for placement opportunities. Emphasis was placed on articulation, content delivery, and professional etiquette.

Interview HR Questions and Answers - PCE

Tell me about yourself:
Hello My name is Alvin Dsouza, I'm currently pursuing my third year computer engg degree in Fr. Conceicao Rodrigues College of Engg, Bandra. I'm a 3 time hackathon winner along with being a versatile developer and consultant with a solid foundation in TypeScript, Next.js, Firebase, and a broad spectrum of other tools and frameworks. I have a strong interest in applying technology to solve practical issues, ranging from local governance and traffic management to personal finance and educational platforms. My diverse project experiences have also developed my leadership skills, particularly as the Lead of Project Cell Crce, in youth councils, hackathons, and as a class technical representative, where I've coordinated efforts and delivered results. I strive to combine technical skills with a strategic approach to create impactful and user-centered solutions.

Why should I hire you?
I bring a unique combination of technical expertise, leadership experience, and a results-oriented mindset. I'm not only proficient with the latest tools and frameworks like TypeScript, React, Firebase, and Python, but also passionate about problem-solving, especially in projects that have social impact or involve innovative technology like AI and blockchain. I thrive in fast-paced environments and am adept at balancing technical requirements with user needs, making me a well-rounded and committed addition to any team.

- **What are your 3 strengths and 2 weaknesses?**
Strengths:

c. Reading Skills

- **Reading Comprehension Passages**: Exercises were conducted to improve reading speed, vocabulary, and comprehension. Students were tested on inference, summarization, and critical analysis.

- **Quizzes conducted on various activities**

4

6

- **Technical and Non-Technical Reading**: Students practiced reading technical manuals, reports, and literature to expand their domain-specific knowledge.

d. Writing Skills

- **Resume Writing Workshops**: Students were guided to draft professional resumes and cover letters tailored to industry standards.

Synopsis of a report on

"Organization Failure"

SINGH BADAL NARENDRA **(TL)**	(9933)
REBELLO ANSIS SANJAY	(9931)
RODRIGUES SIRAN BENJAMIN	(9932)
THANNIMOOTTIL SAMUEL ROY	(9934)
TIWARI SHASHANK AKHILESH CHANDRA	(9935)
TUSCANO REX WALTER	(9936)
VISHWAKARMA KARAN PREMSINGH	(9937)
WORLIKAR MRUGANK PRASANNA	(9938)

Organizational failure refers to the collapse or significant underperformance of an organization, often resulting from a combination of internal and external factors. Internally, poor leadership, ineffective management, lack of clear strategy, and dysfunctional organizational culture can erode the foundation of an organization. Externally, market changes, economic downturns, competitive pressures, and regulatory challenges can exacerbate vulnerabilities. Symptoms of organizational failure include declining financial performance, loss of key talent, deteriorating customer satisfaction, and operational inefficiencies. Recovery from organizational failure typically requires comprehensive restructuring, strategic realignment, and often, a cultural transformation to address the root causes and prevent recurrence.

Outcome:

Professional communication and Ethics subject has successfully contributed to enhancing students' communication skills and preparing them for real-world challenges. Regular updates and integration of innovative methods will ensure continued success in grooming students for their academic and professional journeys.

Fr. Conceicao Rodrigues College of Engineering
Report on First-Year Student Induction Program – 2023

The engineering course opens new "windows" and offers purpose afresh to the individuals undertaking the course. This novel path should be fuelled by the various support activities and open discussions that illuminate the larger purpose of education. The Induction Programme of A.Y 2023-24 was strategically planned according to the requirements of the four-year journey that the students were about to enter. It helped them channel their thoughts for the upcoming call for arduous and diligent learning. Subjects like safety, creative arts, communication, ethics, and skill development formed the diverse yet converging platform of the program. The Induction Programme organized for the First-Year students spread over two weeks beginning from 28 August 2023 to 8 September 2023.

Induction: Day 1 (28 August 2023)

FE Orientation
Address by TPO
Session on the corporate worldview
Campus tour, visit to different depts.

The First Day of the Induction Programme commenced with the "Orientation" on 28 August 2023 in Samvaad amidst the gracious presence of Rev. Fr. Valerian D'Souza, Rev. Fr. Trevor Pereira, and the principal- Dr. S.S. Rathod. The Orientation was followed by an interactive address by the TPO of the College- Prof. Mahesh Sharma. The task of discussion on placements and career steering was undertaken by the Guest Speaker- Mr. Chiraag Thakkar in Samvaad. The speaker's endeavors proved to be emphatic for the students as he was the scorer of 98.38 percentile in CAT and 99.37 in CET and decoded his smart ways through the success story of his company, SmartWayz. After the synergetic session, the students were taken on a campus tour of the college where they were shown the different floors that included the classrooms, workshops, labs, sports facilities, among others.

Induction: Day 2 (29 August 2023)

Group1 -Skill development courses- Linux
Group2 -Skill development courses-Python
Session on Cyber Ethics

The second day of the Induction Programme marked its outset by the sessions for different groups, on Linux and Python. The sessions were well-received by the interactants as they were conducted by the in-house expert professors- Prof. Vaibhav Godbole from the Department of Electronica and Computer Science and Prof. Saurav Kulkarni, from the Department of Artificial Intelligence and Data Science. The sessions were conducted in Samvaad and Seminar Hall simultaneously. An afternoon session on Cyber Ethics was arranged by Rescue (NGO). The speaker for the session included Ms. Liny who is a social activism coach.

Induction: Day 3 (30 August 2023)

Group1 -Skill development courses- Linux
Group2 -Skill development courses-Python
Session on Cyber Ethics

Skill Development Cour[...] [...]erent groups on the third day of the Induction Prog[...] [...]of. Vaibhav Godbole and

Prof. Saurav Kulkarni. The sessions gathered interactive engagements. The afternoon session was held in Samvaad. The session was on Fire, Safety, and First Aid. It was conducted by Mr. Rajesh Shirke and his team. The students' involvement in the session gave them a close understanding of the safety measures. The officers from FSAI joined in the session and underscored the ethical concerns.

Induction: Day 4 (31 August 2023)

Group1 - Dynamics of communication & Ethics
Group2 - Counselling & Activity based learning
Group1 - Skill Development Course- Python
Group2 - Skill development course –Linux

The fourth day of the Induction Programme began with a session on the Dynamics of Communication and Ethics. The session was conducted by Dr. Udayan Chakraborty, an Assistant Professor of Communication Skills at, the Department of Basic Sciences and Humanities from Mukesh Patel School of Technology Management and Engineering. The session covered the realm of communication and its role in the Engineering domain. Ethics, conflict of interest, and communication on the professional front were discussed to brief the students on the role of interpersonal skills and ethics. The Group 2 students in the first half of the day attended a session on Counselling and Activity Based Learning by Dr. Joseph Rodrigues, an Assistant Professor of Communication Skills at Fr. Conceicao Rodrigues College of Engineering. The session was interactive and gathered audience inquisitiveness on decoding verbal and non-verbal codes of a professional demeanor. The afternoon sessions included the Skill Development Courses on Linux and Python, by Prof. Vaibhav Godbole and Prof. Saurav Kulkarni. The Day 5 sessions ended with great enthusiasm for novel learning.

Induction: Day 5 (1 September 2023)

Group1 - Counselling & Activity based learning
Group2 - Dynamics of communication & ethics
Group1 - Skill Development Course- Python
Group2 - Skill Development course- Linux

The students were taken on an activity-based journey by Dr. Joseph Rodrigues. The session was an amalgamation and projection of skills and interaction. The session was followed by a session on the "Dynamics of Communication and Ethics" by Dr. Udayan Chakraborty from NMIMS. The students posed their questions and received answers of quality and content. Skill Development courses were also arranged for the fifth day of Induction, where Python and Linux were incorporated for the students. The students grabbed the opportunity to try their understanding of the course.

Induction: Day 6 (4 September 2023)

Group1 - Skill Development course-Scilab
Group2 - Skill Development course-Scilab
Group 1-Session on Academic Guidelines, Examination Rules & Regulations.
Group2 - Address by the Heads of Departments
Group1 - Address by the Heads of Departments
Group2 - Session on Academic Guidelines, Examination Rules & Regulations.

The sixth day of the Induction Programme began with active indulgence in the field of applied mathematics. It was conducted by Prof. Gajendra Singh and Prof. Gauree Ulhas Jagushte. The morning session included Scilab which involves the application-based understanding of concepts for Engineers. The afternoon sessions included Academic Guidelines, Examination Rules & Regulations by Dr. Deepak Bhoir followed by the Address by the Heads of Departments- Dr. Sujata Deshmukh, Dr. Jagruti Save, Dr. Sapna Prabhu and Dr. Bhushan Patil. The sessions were informative for the students to understand the ethical codes and the department-specific activities and engagements.

Induction: Day 7 (5 September 2023)

Group1 - Session by IIC on Innovation & Design Thinking
Group1 - Skill Development course- Scilab
Group 2- Skill Development course-Scilab
Group2 - Session by IIC on Innovation & Design thinking

Innovation and application-based learning were aimed at on the seventh day of the Induction Programme. The first session on Innovation and Design Thinking was conducted by Prof. Swati Ringe Prof. Kranti Waghle, the IIC Coordinator and convener, and Dr. S.S Rathod. The other morning session included Scilab sessions by Prof. Gauree Ulhas Jagushte. The afternoon sessions included sessions by Dr. S.S Rathod on innovative thinking for engineers and by Prof. Gajendra Singh on Scilab. The sessions kindled the engineers' spirit for innovation and application-based learning. The sessions also included an Admission survey form that was filled by the students. The form had three sections- in the first section the students had to fill in the personal details, the second section included the SWOT analysis and the third section encapsulated the admission-related survey.

Induction: Day 8 (6 September 2023)

Presentations by Technical and non-technical councils

The FE students were briefed by the 24 technical councils of the college on the eighth day of the Induction Programme. The learnings from the different councils were addressed by the students' council members. The sessions the morning as well as the afternoon slots. The council members enthusiastically projected their strengths and motivated the freshmen and women to join the different groups.

Induction: Day 10 (8 September 2023)

Creative Arts – Vinay Kanchan
Session on Human Relations & Values

The final day of the Induction program included the session by Mr. Vinay Kanchan, a bestselling author, brand storyteller, and innovation catalyst. The session was a concoction of Innovation and creative thinking. He explained how innovation helps in creating brand value and better public perception taking examples from a few commercial advertisements. The session was very gripping with many creative and innovative thinking activities. Students enthusiastically participated and appreciated the session.

The session on Human Relations and values was conducted by Dr. Ambrish Bhat, a well-renowned counselor by profession. He has been instrumental in conducting many sessions on Universal Human Values (UHV) for the students of engineering and management colleges in the city. Dr. Bhat spoke about the interpersonal relationships of Human beings and society and He talked about different types of personalities that we encounter in our daily lives and emphasized that understanding them can give us better control over the situations that we face in our personal and professional lives. The Induction program came to an end with interactive blooms.

2. Language Lab and Communication Skills

Language Lab and Communication Skills programs are designed to enhance students' ability to effectively communicate in professional settings. These programs aim to build proficiency in both verbal and non-verbal communication, focusing on the development of clear, confident, and ethical communication skills that are essential for career success. One key component of these programs is **Professional Communication and Ethics-I**, which equips students with the necessary tools to navigate professional environments while adhering to ethical standards.

The **Professional Communication and Ethics-I** component covers several important aspects:

1. **Professional Communication**: This focuses on the effective use of language in professional settings, including business correspondence, presentations, meetings, and negotiations. Students learn how to communicate clearly, assertively, and persuasively while tailoring their communication style to different professional contexts.
2. **Ethical Communication**: Ethical communication emphasizes honesty, integrity, and transparency in all forms of professional interactions. The program helps students understand the importance of upholding ethical standards in communication, avoiding manipulation, and ensuring that their messages are truthful and respectful.
3. **Workplace Etiquette and Protocols**: Students are taught the importance of professionalism in various workplace settings. This includes understanding cultural diversity, practicing respect in communication, and adhering to formal and informal communication protocols that foster a positive and productive environment.
4. **Conflict Resolution and Problem-Solving**: The course also highlights effective communication strategies for addressing conflicts, negotiating solutions, and maintaining a harmonious professional environment. Ethical decision-making in conflict situations is emphasized to ensure that resolutions align with the organization's values.

In conclusion, **Language Lab and Communication Skills** programs focusing on **Professional Communication and Ethics-I** provide students with the skills to communicate effectively and ethically in professional environments. This fosters not only professional success but also personal integrity and the ability to contribute positively to the workplace culture.

PROFESSIONAL COMMUNICATION AND ETHICS-I

REPORT ON THE ACTIVITIES CONDUCTED DURING THE 2nd SEMESTER

2024

Activity 1:- Five of anything (Interactive game) First Day of class

Name of the activity:- Five of anything (Interactive game) First Day of class

The students were given sheets where they had to write any five things that came into their mind while having the given paper in hand. Next, the individuals were asked to fold their chits and pass them on to the person sitting next to them. The partner can choose any words and ask the first person to express views on that.

This interactive game transformed many passive listeners into active listeners. The students delivered their ability to be quick responders which helped in the ice-breaking session.

Activity 2:-

Name of the Activity: T ons

The students were divided into groups and were communicated a word by the teacher. Every group had one emotion as a word to convey non-verbally. The conveyed word had to be expressed through an imaginary professional workplace set-up. The groups took the platform to express it one by one. Emojis were drawn on the smart board and emotions were acted out.
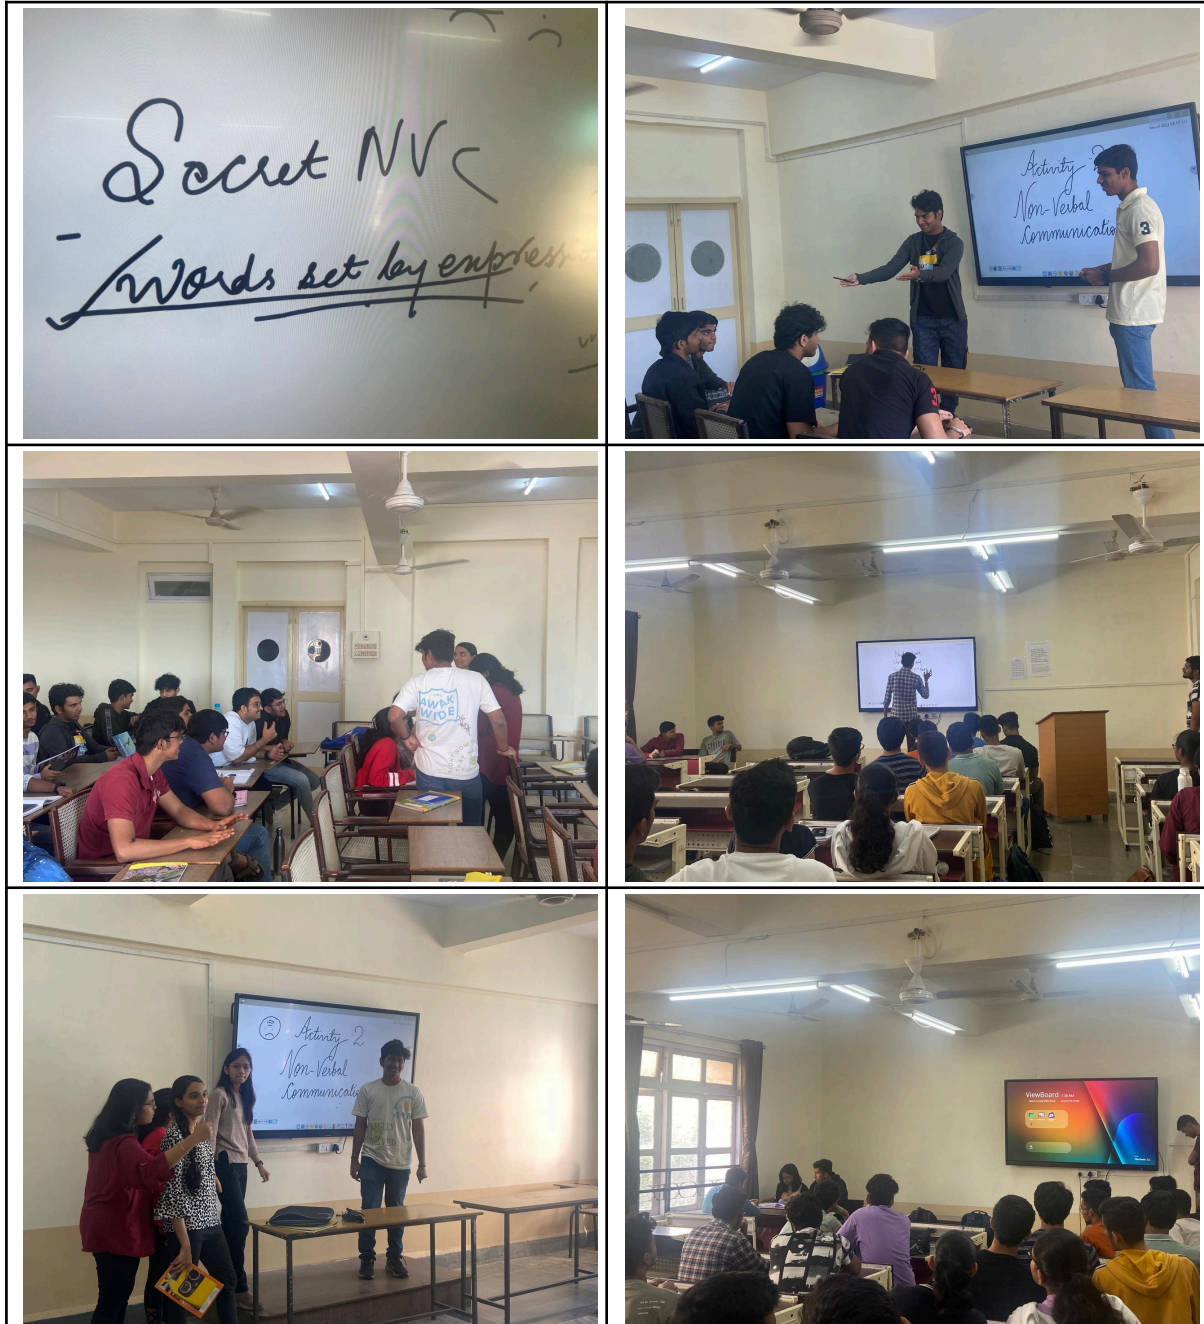

Activity 3:- Listening, Speaking , Reading and Writing [Grabbing vocabulary and motivation from videos]

The students were shown motivational videos of well-known personalities and asked to listen to the audio car   rukh Khan which was picked from the bank o   nd video was by Gaur

Gopal Das, a spiritual speaker. His video detailed the essence of a disciplined student and its benefits. Additionally, there were other videos shown on Non-verbal communication and design thinking, to fuel their creativity right at the onset of their first year. Then a quiz was released for them to test their listening retention.
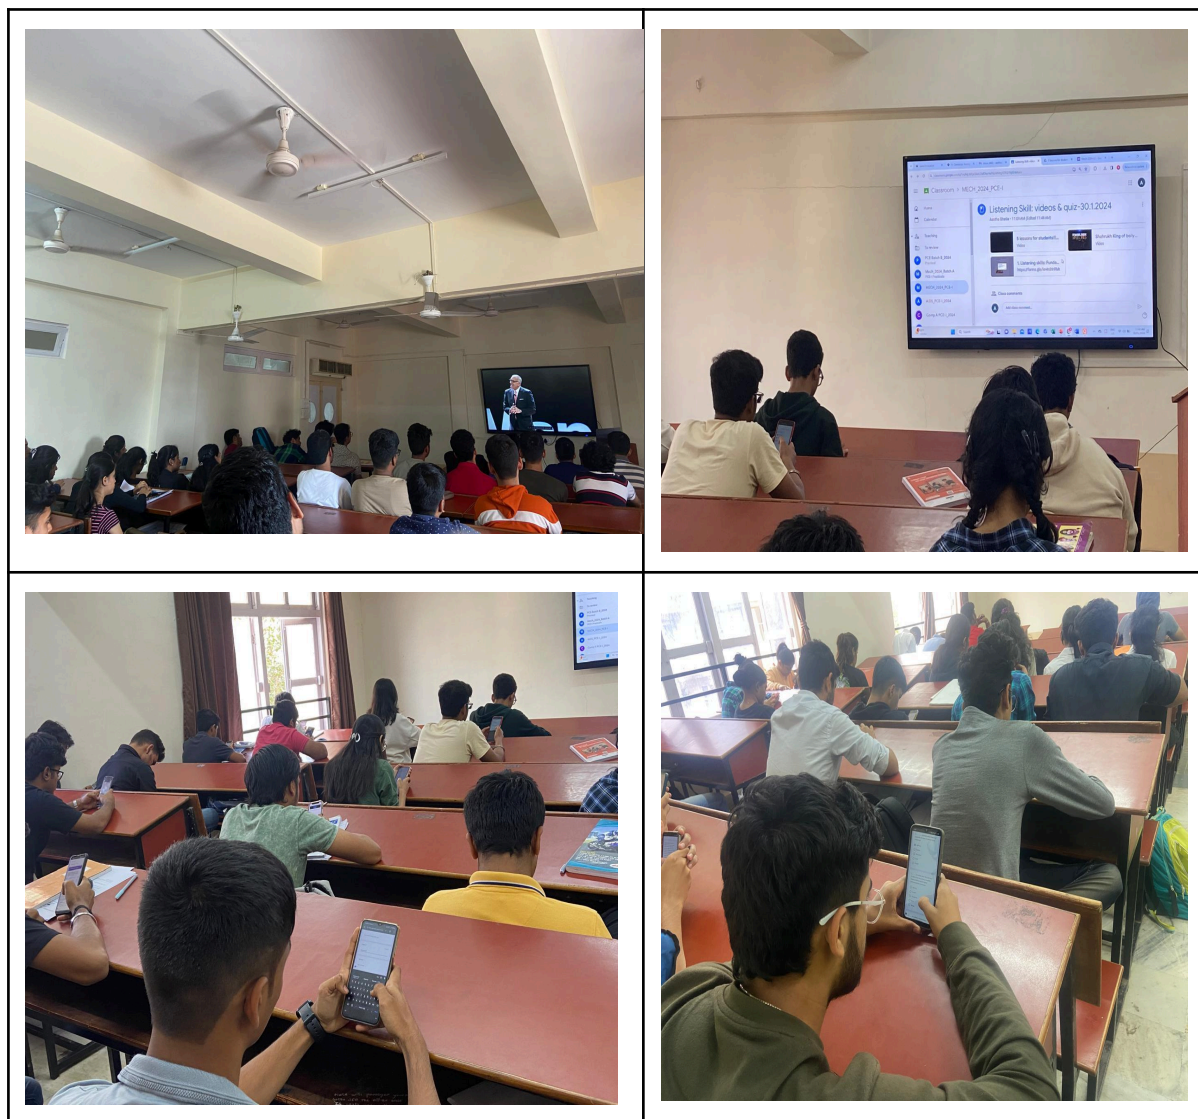

LSRW Skills were also addressed to and taken care of in the Language Lab, using the Clarity English Software and other in-class activities such as summarization (where a passage was displayed on the interactive panel and the students had to reduce the passage into 40% of the original content) The students were then asked to read their summaries. The writing skills also covered the topic of Basic Technical writing where they had to attempt a quiz on technical writing and later on produce a theory assignment on that. Public Speaking was also practiced and tested in the first unit test.
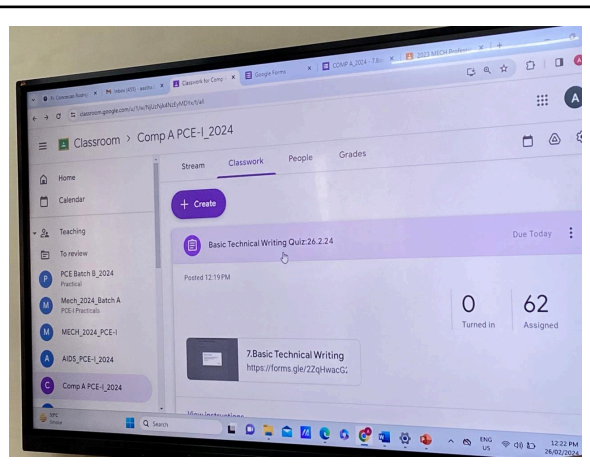

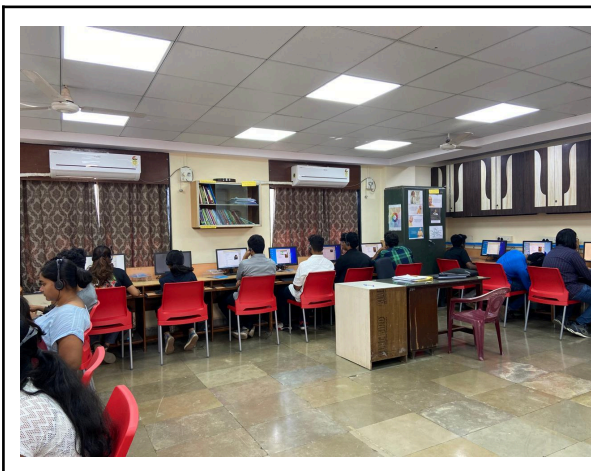

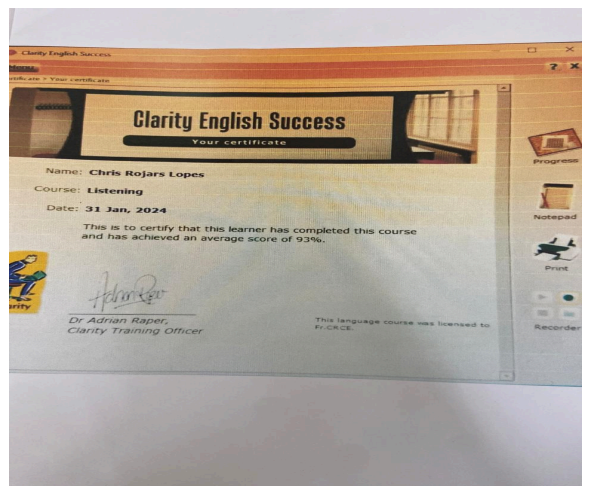

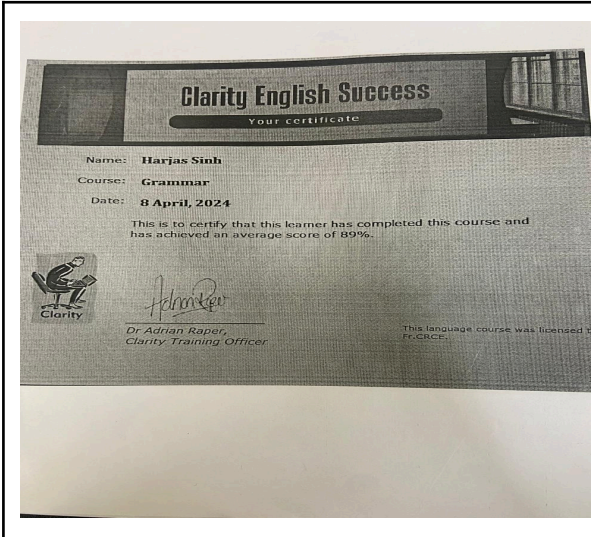

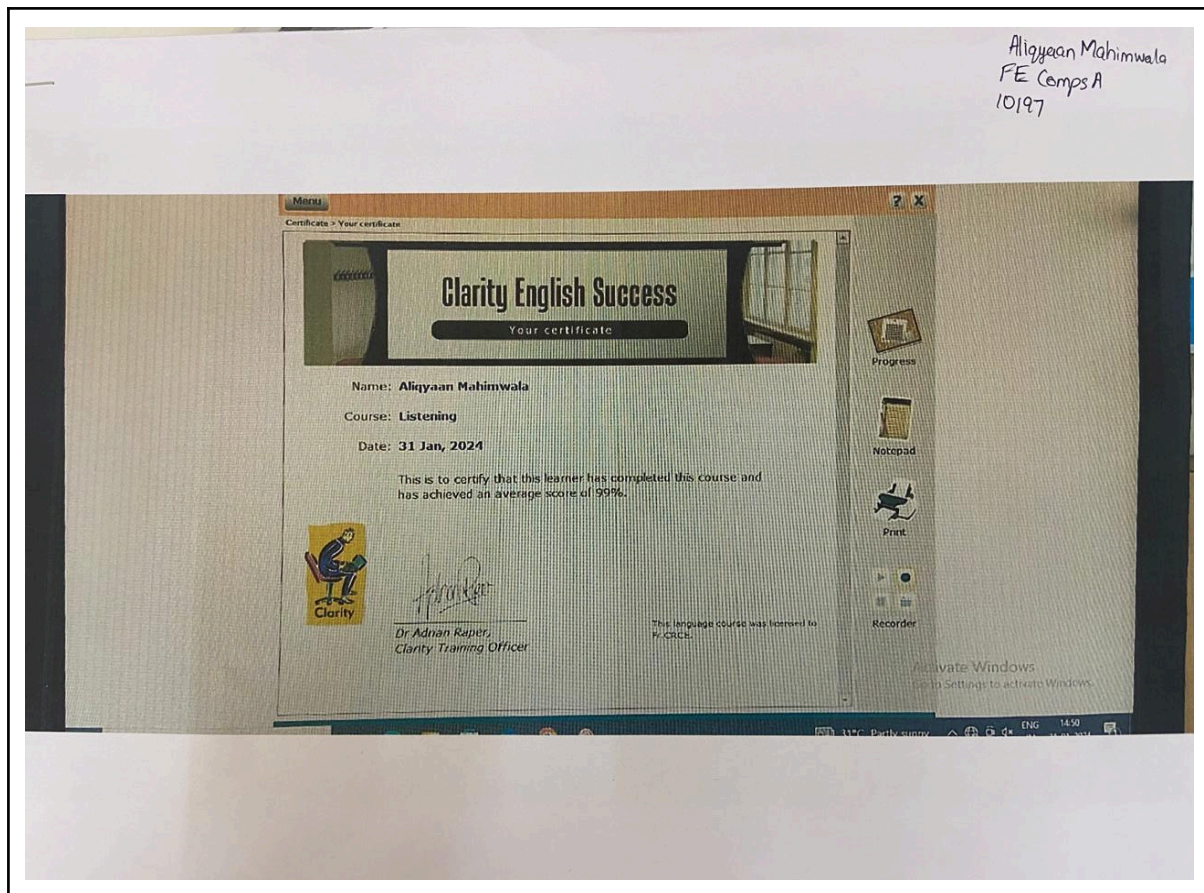

Activity 5: Flipped classroom was also conducted

3. Life Skills Development Programs

Life Skills Development Programs are designed to equip individuals with essential skills that are necessary for managing everyday challenges, making informed decisions, and leading a balanced life. These programs aim to foster personal growth, improve emotional intelligence, and promote holistic well-being through a variety of interactive and practical learning experiences.

Key topics within these programs include:

1. **Personality Development**: This aspect focuses on enhancing self-awareness, self-confidence, and interpersonal skills. It empowers individuals to express themselves more effectively, make better decisions, and foster positive relationships in both personal and professional environments.

2. **Menstrual Hygiene**: Promoting awareness about menstrual hygiene is crucial for empowering individuals to manage their health and well-being. This topic educates participants on the importance of proper hygiene practices, breaking taboos around menstruation, and fostering open conversations about women's health and dignity.

3. **Mental Health**: Mental health awareness is a fundamental part of life skills development. This segment helps individuals recognize the importance of mental well-being, develop coping strategies for stress, anxiety, and depression, and encourages open discussions about emotional health. It promotes resilience, emotional regulation, and healthy coping mechanisms.

4. **International Yoga Day 2024 Celebration**: Yoga plays a crucial role in fostering both physical and mental well-being. The celebration of International Yoga Day emphasizes the integration of mindfulness, relaxation techniques, and stress management, helping individuals to cultivate a balanced lifestyle. It aids in improving concentration, emotional stability, and overall health.

5. **Various NSS (National Service Scheme) Activities**: NSS activities focus on community service, social responsibility, and leadership development. These activities provide practical opportunities for individuals to contribute positively to society, enhance teamwork, and develop empathy. NSS encourages participants to engage in social causes, fostering a sense of purpose and responsibility in the community.

In conclusion, **Life Skills Development Programs** that incorporate these topics aim to prepare individuals to navigate life's challenges with confidence, resilience, and a sense of responsibility. By focusing on personali   well-being, and community engagement, these progr   empowerment.

Report on Seminar: Personality Development, Menstrual Hygiene, and Mental Health

Date: 24th January 2024

Organized By: Women Development Cell (WDC) - Fr. CRCE

In Collaboration With: Whisper, Gillette (Procter & Gamble)

Audience: Students, Faculty, and Participants at Fr. CRCE

Speaker: Ms. Dolly Setpal

No. of Participants: 150

1. Introduction:

The Women Development Cell (WDC) at Fr. CRCE hosted an informative and engaging session on the themes of "Personality Development, Menstrual Hygiene, and Mental Health" on 24th January 2024. This event, held in collaboration with Whisper and Gillette, two renowned brands under Procter & Gamble, aimed at raising awareness on crucial topics related to mental and physical well-being. The session was designed to provide in-depth knowledge and practical guidance for both personal and professional growth.

2. Purpose and Objective:

The session aimed to:

1. **Enhance Personality Development**: Discussed key elements of personality building, focusing on self-est
2. **Promote Menstrua** nformation about menstrual health, hy oncerns.

Website: www.frcrce.ac.in | E-Mail: crce@fragnel.edu.in

3. **Address Mental Health Issues**: Equiped participants with coping mechanisms for dealing with stress, anxiety, and the mental health challenges commonly faced by students and young professionals.

3. Key Highlights of the Session:

1. **Personality-Development**:

   The speaker discussed essential techniques for building a strong, confident personality, emphasizing the importance of self-awareness, goal-setting, effective communication, and positive thinking. Participants were encouraged to recognize their strengths and areas of growth to improve self-confidence and overall personality.

2. **Mental Health**:

   In a particularly engaging segment, the expert addressed the significance of mental health, explaining the common struggles such as stress, anxiety, and burnout. The speaker introduced a variety of effective coping mechanisms and stress management strategies that could help the participants handle daily pressures in a more balanced manner.

3. **Menstrual Hygiene**:

   A significant portion of the session focused on educating the audience about menstrual hygiene. Key topics such as the importance of using the right hygiene products, understanding the menstrual cycle, preventing infections, and recognizing early symptoms of health issues were covered in detail. The speaker also addressed common misconceptions and taboos surrounding menstruation.

4. **Q&A Session**:

   A highly interactive   sentation. The participants had the opportuni   hree themes: personality

development, mental health, and menstrual hygiene. The speaker provided insightful and detailed responses, addressing concerns related to stress management, hygiene practices, and general well-being.

4. Audience Engagement:

The session was well-received by the participants, who actively engaged throughout the presentation. The Q&A segment allowed them to clarify doubts and seek advice on personal challenges. The audience's positive feedback highlighted how informative and eye-opening the session was, with many participants expressing newfound awareness about the importance of self-care and mental well-being.

5. Conclusion:

The event concluded with the speaker's final words on the importance of continuous self-improvement and maintaining a healthy balance between mental, physical, and emotional well-being. The Women Development Cell (WDC) thanked all the participants and collaborators for making the session a success.

The session not only provided valuable knowledge to students and faculty members but also fostered an open dialogue about the often-overlooked issues of mental health and menstrual hygiene. The WDC is hopeful that the awareness generated through this session will lead to positive changes in participants' lives.

6. Acknowledgments:

The Women Development Cell (WDC) at Fr. CRCE would like to extend its deepest gratitude to the speaker and to Whisper, Gillette, and Procter & Gamble for their invaluable contribution to making this session possible. The time and effort invested by all parties involved were greatly appreciated.

The WDC is committed to c   ire to continue empowering students and fostering awa   evelopment issues.

Platform: - Offline

August 17th, 2023, Mumbai.

The National Service Scheme (NSS) Council of Fr. CRCE College organized a highly successful Blood Donation Camp on 17th August in the school hall. The event aimed to contribute to the noble cause of saving lives through voluntary blood donation and creating awareness about the importance of regular blood donation. It received an overwhelming response from both students and teachers, showcasing the spirit of selflessness and community service.

The event was meticulously planned and executed by the NSS Council, in collaboration with Tata Memorial Hospital. The school hall was transformed into a well-equipped donation centre, with separate areas for registration, medical screening, donation, and post-donation refreshments. Before the event, the NSS Council conducted awareness campaigns through posters, announcements, and social media to ensure maximum participation.

The event commenced at 9:00 AM with the registration process, where participants were provided with information about blood donation and its impact on society. Following registration, participants underwent thorough a medical screening to ensure their eligibility for donation. Donors who passed the medical screening proceeded to the donation area, where skilled medical professionals collected the blood. After donation, donors were offered refreshments, mineral water and a resting area to ensure their well-being.

The event commenced as per the schedule. Participants were guided through each step of the donation process, from registration to post-donation care. Our NSS Volunteers assisted participants in filling out the required forms, verifying their eligibility for blood donation, and explaining the donation process. Strict hygiene and safety protocols were followed throughout the event to maintain a clean and safe environment for both donors and volunteers.

The Blood Donation Event saw active participation from both students and teachers of Fr. CRCE. The enthusiastic response from the college community showcased their commitment to contributing to the well-being of society. To acknowledge the selfless contributions of the donors, certificates of appreciation were presented to each participant who donated blood. These certificates served as tokens of gratitude and recognition for their valuable contribution to saving lives.

The NSS Council aims to build upon the success of this Blood donation Camp by organizing many such activities that promote social awareness and contribute to the betterment of society.

MENTAL HEALTH

Date: - 29th February 2024

Time: - 02:30 PM to 03:30 PM

Place: - Fr. Conceicao Rodrigues College of Engineering, Bandra(W)

Platform: - Offline

February 29th, 2024, Mumbai.

The NSS Council of Fr. Conceicao Rodrigues College of Engineering successfully organized a seminar focusing on mental health awareness on 29th February 2024 at our college in Bandra. The seminar aimed to shed light on the significance of mental well-being and promote discussions around mental health issues prevalent among students and the broader community.

The event commenced at 2:30 PM and was attended by all NSS volunteers along with third-year students from various branches across the college. It is noteworthy that the Head of Departments from all disciplines ensured the presence of third-year students, emphasizing the importance of the seminar in addressing critical issues related to mental health.

The seminar featured Mr. Anshul Khosla as the esteemed speaker, a dedicated therapist, and licensed clinical psychologist renowned for his expertise in the field of mental health. Mr. Khosla, with his distinguished qualifications including M. Phil, M. SC, and B. SC, brought a wealth of knowledge and experience to the session. Currently serving as a Senior Consultant Psychologist at Amaha, Mr. Anshul Khosla is committed to helping individuals navigate through mental health challenges and fostering healing and well-being.

Throughout the session, Mr. Khosla engaged the audience with his profound insights into various aspects of mental health. He emphasized the importance of destigmatizing mental health issues and fostering a supportive environment where individuals feel empowered to seek help and support when needed.

The seminar proved to be highly informative and engaging, providing attendees with practical strategies for maintaining mental well-being and coping with stressors effectively. Mr. Khosla's interactive approach facilitated meaningful discussions, allowing participants to gain a deeper understanding of mental health concerns prevalent in contemporary society.

At 3:30 PM, the seminar concluded on a note of satisfaction, with participants expressing gratitude for the valuable insights shared by Mr. Anshul Khosla. The NSS volunteers and non-volunteers alike left the session with enhanced awareness and a renewed commitment to promoting mental health awareness within the college community and beyond.

Overall, the seminar on mental health awareness served as a pivotal platform for fostering dialogue, dispelling myths, and promoting holistic well-being among students and faculty members of Fr. Conceicao Rodrigues College of Engineering, Bandra (W).

HEALTH SURVEY

Date: - 10th March 2024

Time: - 10:00 AM to 02:00 PM

Place: - St. Catherine's Orphanage, Veera Desai, Andheri Sports Complex, Andheri.

Platform: - Offline

March 10th, 2024, Mumbai.

The NSS Council of Fr. Conceicao Rodrigues College of Engineering marked another milestone by organizing a comprehensive Health Survey on the morning of March 10th, 2024. The event was planned to gather health-related data from the residents of the Veer Desai Road area in Andheri and the inhabitants of St. Catherine Girls Orphanage. The primary aim of this initiative was to understand the health patterns of these populations for future healthcare planning and interventions.

The survey commenced at 10:00 AM, with the enthusiastic NSS volunteers gathering at the predetermined locations. Prior to the event, the volunteers were provided with training and materials needed to conduct the survey efficiently. This preparatory work was instrumental in ensuring the smooth execution of the survey.

The Health Survey was structured around a set of carefully crafted questionnaires designed to capture vital health information of the participants. These questions covered a range of topics including dietary habits, physical activity levels, access to medical care, and history of any chronic diseases. The NSS volunteers, equipped with these questionnaires and a genuine spirit of service, approached the task at hand with professionalism and empathy.

In the Veer Desai Road area, teams of volunteers navigated through the community, engaging with residents and encouraging their participation in the survey. Similarly, at St. Catherine Girls Orphanage, another dedicated team focused on gathering health data from the children and staff. The warmth and cooperation received from the community and the orphanage were overwhelming, contributing significantly to the success of the survey.

The survey concluded at 02:00 PM, with the volunteers successfully collecting a substantial amount of data. This information was then organized and prepared for analysis, with the objective of identifying key health trends and needs among the surveyed populations. The findings from this survey are expected to be i   erventions and policies that will address the specific nee
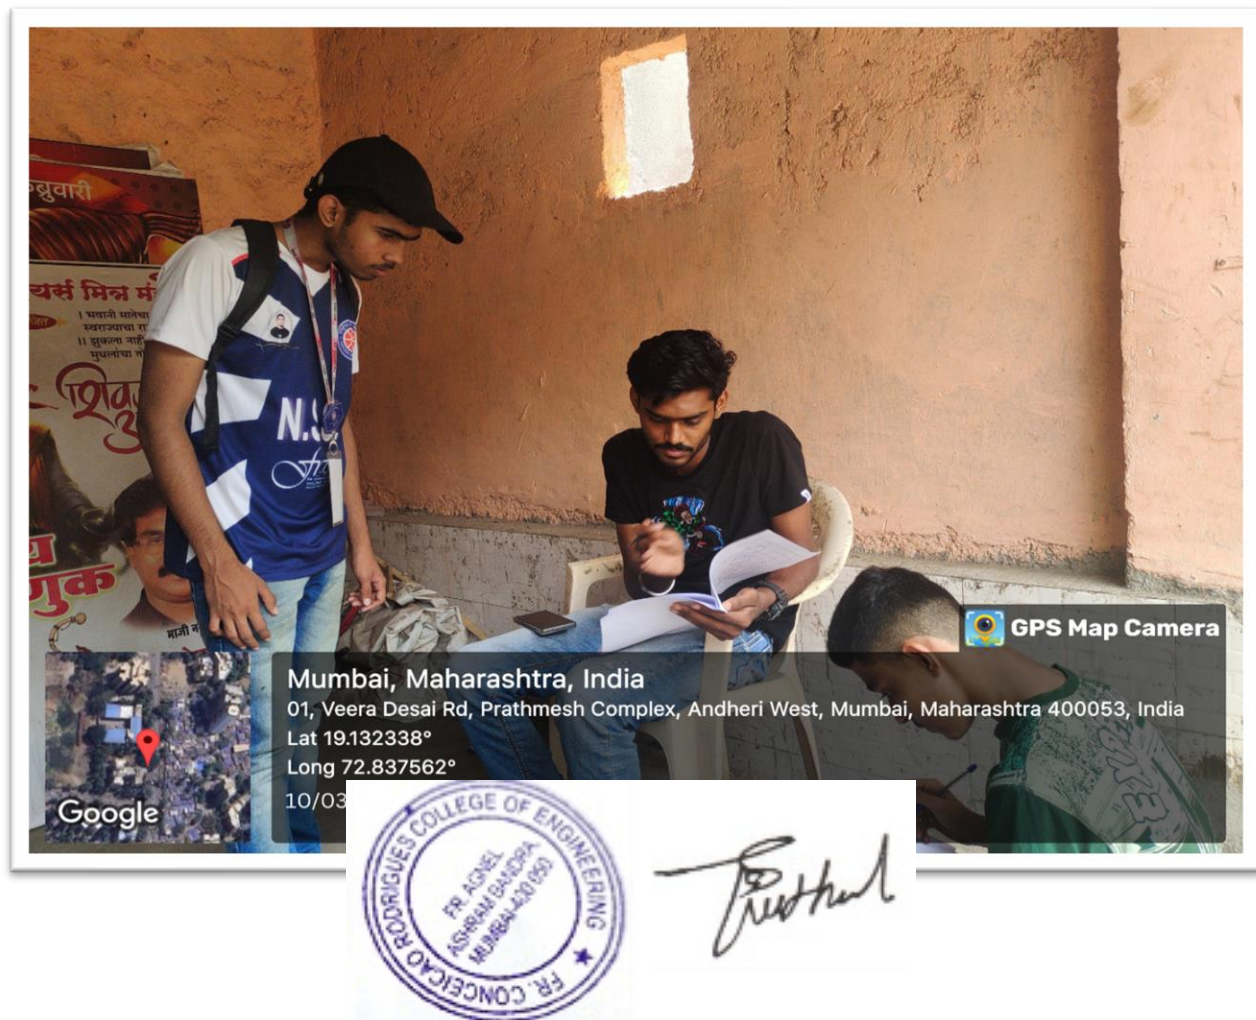

In reflection, the Health Survey carried out by the NSS Council of Fr. Conceicao Rodrigues College of Engineering was a significant achievement. The active involvement of the volunteers and the cooperative spirit of the community members and orphanage staff underscored the collective responsibility towards improving public health. The data collected provides a solid foundation for future health projects and serves as a testament to the power of community engagement in addressing healthcare challenges.

ANTI-PLATIC AWARENESS

Date: - 22nd March 2024

Time: - 06:00 PM to 07:00 PM

Place: - Veera Desai, Andheri Sports Complex, Andheri

Platform: - Offline

March 22nd, 2024, Mumbai.

The NSS Council of Fr. Conceicao Rodrigues College of Engineering embarked on a transformative endeavor, spearheading a Paper Bag Donation Drive that unfolded along the bustling streets of Veera Desai Road in Andheri. Rooted in a steadfast commitment to environmental preservation and sustainability, this initiative sought to address the pressing issue of plastic pollution by advocating for the widespread adoption of eco-friendly alternatives. With the backdrop of the urban landscape as our canvas, our dedicated team of NSS volunteers, driven by a shared vision of a greener future, took to the streets with fervor and purpose.

The essence of the Paper Bag Donation Drive lay in its profound simplicity yet profound impact. Armed with newspapers and unwavering determination, each NSS volunteer was tasked with the noble mission of crafting a minimum of six and a maximum of fifteen paper bags. Through meticulous folding and crafting, these humble newspapers were transformed into vessels of change, embodying the ethos of sustainability and environmental stewardship.

Against the bustling backdrop of Veera Desai Road, our volunteers, adorned with bright smiles and unwavering enthusiasm, set out on their mission. As they traversed the streets, the rhythmic rustle of paper bags filled the air, serving as a poignant reminder of our collective commitment to a cleaner, greener tomorrow. With each step, our volunteers engaged in meaningful conversations with local shop owners and residents, educating them about the detrimental impacts of plastic bags on our environment and advocating for the adoption of sustainable alternatives.

The distribution of the handcrafted paper bags marked not only a gesture of goodwill but also a catalyst for change within the community. As these eco-friendly alternatives found their way into the hands of shopkeepers and customers alike, they served as tangible symbols of our collective responsibility towards the planet. The resonance of our message reverberated through the streets of Veera Desai Road, igniting conversations and inspiring actions that spread like wildfire, inspiring individuals to rethink their consumption habits and embrace sustainable living practices.

In the aftermath of the Paper Bag Donation Drive, the legacy of our efforts endures as a testament to the power of collective action in effecting meaningful change. The NSS Council stands as a beacon of hope and inspiration, galvanizing others to join us in our mission to safeguard the environment for future generations. As the sun dipped below the horizon, casting its golden glow upon the city streets, we stood united in our resolve, knowing that our actions today pave the way for a brighter, more sustainable tomorrow.

TREE PLANTATION

Date: - 16th August 2023

Time: - 9:00 AM to 2:00 PM

Place: - Palghar, Maharashtra

Platform: - Offline

August 16th, 2023, Mumbai.

Meri Maati Mera Desh", with the tagline `Mitti ko naman, veeron ka vandan`, is a nationwide and people-led "Jan bhagidari" initiative to commemorate 75 years of India's independence. 'Meri Maati Mera Desh' celebrates the many achievements of the nation. It involves paying tribute to the 'Veers' who protect our nation. Under the Meri Matti Mera Desh Campaign, the NSS (National Service Scheme) Council of Fr. CRCE organized a significant tree plantation event in Palghar intending to promote environmental awareness and contribute to the local ecosystem. The event was carried out under the guidance of the NSS Program Officers, who actively participated in and supervised the entire program.

Upon reaching the volunteers were provided with breakfast which was arranged by our Program officer and they helped us explore the nearby areas that would be suitable for Tree Plantation. The tree plantation event commenced at 09:30 AM with a brief gathering of NSS volunteers and Program Officers at the designated location in Palghar. The favourable weather provided an ideal atmosphere for tree planting. The event began with an opening address by one of the NSS Program Officers, emphasizing the importance of tree plantation in combating climate change, conserving biodiversity, and enhancing the overall quality of the environment.

Volunteers and Program Officers actively engaged in the tree-planting process. The area was divided into multiple planting zones and each group was assigned a specific number of saplings to be planted. The process involved digging appropriate-sized pits, adding organic compost to enhance soil fertility followed by careful placing of the saplings, and finally backfilling the pits. The volunteers demonstrated great enthusiasm and responsibility throughout this process, ensuring proper care and placement of each sapling.

The NSS Program Officers played an integral role in overseeing the entire event, providing guidance to the volunteers on appro[...] importance of maintaining

ecological balance and sharing insights into the long-term benefits of the planted trees. Their presence and active involvement inspired the volunteers and added a level of expertise to the event.

The tree plantation event was a resounding success, with a total of 75 saplings planted. The active participation of NSS volunteers, coupled with the guidance of dedicated Program Officers, contributed to the event's effectiveness and success. This initiative demonstrated the commitment of the NSS Council to environmental conservation and served as an inspiration for sustainable practices among the college community. The event enriched the local ecosystem and provided insight for the participating volunteers, into the advantages of such activities.

The NSS Council aims to build upon the success of this tree plantation event by organizing many such activities that promote environmental awareness and contribute to the betterment of society.

WEBINAR: MISSION MANGROVES

Date: - 22nd August 2023

Time: - 8:00 PM to 9:00 PM

Place: - Webinar on Google Meet

Platform: - Online

August 22nd, 2023, Mumbai.

The National Service Scheme (NSS) Council of Fr. CRCE College organized a highly successful Webinar on 22nd August through the medium of Google Meet. The webinar was about raising awareness about mangrove preservation and aimed to shed light on the significance of mangrove ecosystems, their role in environmental sustainability, and the importance of conserving them. The event attracted participants from various academic backgrounds, environmental enthusiasts, and community members eager to learn about the subject.

The speaker for the blockbuster webinar, Ms. Gangotri Nirbhavane, emphasized the importance of mangroves as unique ecosystems that support diverse flora and fauna. She elaborated on the various species that thrive in these environments and their adaptations to tidal fluctuations.

The event commenced as per the schedule. Participants joined the meeting sharp at 08:00 PM. One of our Event Coordinators, Andronicus Lall, gave the introduction to the event and talked about the gist of the topic. Then the speaker, Ms. Gangotri Nirbhavane, gave an important and prestigious insight regarding the whole concept of Mangroves, their importance, and the urgent necessity to save them. Several volunteers joined the event and they were given hours to attend this meeting. All in all, it taught us an important lesson about saving mangroves and giving them their value with great care.

Key Features:

- **Economic Significance**: Ms. Gangotri Nirbhavne, discussed the economic benefits of mangroves, such as their contribution to fisheries, coastal protection, and tourism. This perspective highlighted the direct and indirect ways mangroves impact local economies.

- **Climate Change Mitigation**: The role of mangroves in mitigating climate change was a central theme. The audience learned how mangroves sequester carbon dioxide and act as natural buffers against storm surges and erosion.

- **Conservation Challenges**: Ms. Gangotri Nirbhavane dived into the challenges facing mangroves, including habitat destruction, pollution, and unsustainable resource exploitation. The audience was encouraged to take part in conservation efforts.

- **Q&A Session**: The webinar included an interactive Q&A session, where participants engaged with the speakers by asking questions related to mangrove conservation, biodiversity preservation, and practical steps individuals could take to protect these ecosystems.

- **Audience Engagement**: The participants exhibited a keen interest in the topic, as reflected in the number of questions asked and the discussions that followed the presentations. Many expressed a desire to join hands in conservation initiatives and share the knowledge gained with their communities.

The webinar on Mission Mangroves organized by the NSS Council of Fr. CRCE successfully achieved its goal of spreading awareness about mangrove ecosystems and their critical importance. Attendees left the event with a deeper understanding of the ecological, economic, and climatic significance of mangroves and were inspired to contribute to their preservation.

The NSS Council aims to build upon the success of this webinar by organizing many such activities that promote social awareness and contribute to the betterment of society.

HUMAN RIGHTS DAY: POSTER DONATION

Date: - 10th December 2023

Time: - 10:00 AM to 06:00 PM

Place: - Andheri

Platform: - Offline

December 10th, 2023, Mumbai

The NSS Council at Fr. Conceicao Rodrigues College of Engineering held a poster-making contest for Human Rights Day. This event was to spread awareness about human rights and let volunteers show their artistic skills. The posters made were meant to deliver strong human rights messages creatively. After the contest, these posters were distributed in Andheri. This was done to teach and start conversations about human rights issues not just in the college, but also in the local community. This move aimed to spread human rights awareness beyond the college to the nearby community. The posters were meant to educate and start discussions on human rights among the orphanage's residents and others.

The poster-making contest started at 10:00 AM, with students from various fields joining in. They were tasked to create posters on human rights, diving into various aspects and views of the topic. The goal was to distribute these posters in Andheri after the event. The competition witnessed a remarkable display of artistic talent and creativity, with participants employing various artistic techniques and styles to convey their messages. The posters addressed a wide range of human rights issues, including gender equality, freedom of expression, right to education, and social justice, among others. Participants utilized powerful imagery, thought-provoking slogans, and vibrant colours to capture the attention of the audience and provoke meaningful discussions on human rights-related topics.

A panel of judges, consisting of faculty members, who were experts in art and human rights advocacy, evaluated the posters based on criteria such as creativity, relevance to the theme, visual impact, and clarity of message. Each poster was scrutinized to ensure that it effectively communicated the essence of human rights principles and invoked a sense of empathy and understanding among view

Following the conclusion of the competition, the posters were collected and prepared for distribution in Andheri. This initiative aimed to extend the impact of the event beyond the college campus and spread awareness about human rights in the surrounding community. The posters were intended to serve as educational tools, sparking conversations and fostering a deeper understanding of human rights issues among the residents of the orphanage and beyond.

The poster-making competition for Human Rights Day proved to be a resounding success, achieving its objectives of promoting awareness about human rights and providing a platform for artistic expression. Through the creativity and passion exhibited by the participants, the event served as a testament to the importance of using art as a medium for social change. The distribution of these posters further exemplified the commitment of the NSS Council and its volunteers to making a positive difference in the community.

Looking ahead, the NSS Council remains committed to organizing more such events and initiatives that foster social awareness and promote human rights principles. We encourage continued engagement and participation from the student community in our collective efforts to build a more just and equitable society.

MERI MAATI MERA DESH

Date: 15th September, 2023

Time: 10:30 AM to 03:00 PM

Location: Chhatrapati Shivaji Maharaj International Airport, Mumbai, Maharashtra.

Platform: Offline

September 15th, 2023, Mumbai

The National Service Scheme (NSS) volunteers of Fr. Conceicao Rodrigues College of Engineering, welcomed Anurag Thakur (the Youth Minister of India) and promoted the 'Meri Maati Mera Desh' government scheme at Chhatrapati Shivaji Maharaj International Airport.

The day commenced with fervour and anticipation as volunteers gathered at the airport as early as 10:30 AM, aligning with the scheduled arrival time of the Youth-Minister. Decorations adorned the arrival lounge, depicting the essence of India's rich cultural heritage and the spirit of community service. The airport buzzed with excitement when the Youth Minister's flight landed. A ceremonial welcome ensued. Volunteers, adorned holding banners for Meri Maati Mera Desh, lined up to greet the esteemed guest with flower garlands and enthusiastic applause.

Following the formal welcome, the Youth-Minister engaged in interactions with volunteers and representatives from various youth organisations. Amidst a backdrop of banners promoting the "Meri Maati Mera Desh" scheme, discussions centred on the importance of community service and youth empowerment. Interactive one-on-one talks took place, allowing volunteers to share their experiences with NSS activities and initiatives. The Youth Minister, in turn, emphasised the role of the youth in nation-building and encouraged active participation in government schemes aimed at fostering sustainable development.

In conclusion, the visit to Chhatrapati Shivaji Maharaj International Airport for the welcoming of the Youth Minister of India was a resounding success. The event not only showcased the dedication of NSS volunteers and youth organisations but also served as a platform to promote the "Meri Maati Mera Desh" government scheme. As the Youth Minister departed the spirit of service and solidarity reverberated throughout the airport, leaving an indelible mark on all those present.

WORLD PEACE DAY

Date: - 21st September 2023

Time: - 7:00 PM to 8:00 PM

Place: - Bandra(W)

Platform: - Online

September 21st, 2023, Mumbai.

The National Service Scheme (NSS) Council of Fr. Conceicao Rodrigues College of Engineering organised a highly successful webinar on World Peace Day on 21st September. The event aimed to raise awareness about the significance of peace in the world and discuss the role of individuals and communities can play in promoting and maintaining peace.

The event was meticulously planned and executed by our esteemed G20 speaker Mr. Amal Manoj, youth ambassador and speaker Y20 of G20 summit Indian Youth Ambassador China Delegation 2019. This wonderful webinar gave a unique opportunity for all our volunteers to come together, learn and discuss how we can all contribute to a more peaceful and harmonious world.

Mr. Amal delivered the keynote address and provided valuable insights into the concepts of peace, its global significance and the challenges faced in achieving and maintaining peace in the contemporary world. The volunteers were inspired by Mr. Amal Manoj's passion for peace and commitment to creating a significant difference in the thought process of our society.

The webinar witnessed significant participation from our NSS volunteers, with an overwhelming number of attendees keen to learn and contribute to the cause. The webinar included an engaging question and answer session, where participants could seek clarification and engage in a meaningful discussion. The Q&A session fostered active participation and enabled attendees to interact directly with the speaker, creating a dynamic and informative atmosphere.

The webinar organized by our NSS team on World Peace Day was a resounding success. It brought together students and experts to reflect on the importance of peace and explore ways to contribute to a more peaceful world. The event fostered a sense of utility and responsibility among participants, emphasizing that peace is a collective effort. It served as a reminder that peace is not a passive state but an active pursuit that re   peration from everyone.

The NSS Council aims to build upon the success of this webinar by organizing many such activities that promote social awareness and contribute to the betterment of society.

YUVA SAMVAD PROGRAM

Date: - 02nd August 2023

Time: - 11:00 AM to 1:00 PM

Place: - Chetana College, Bandra East.

Platform: - Offline

August 2nd, 2023, Mumbai.

The Yuva Samvad program, held at Chetana College in Bandra East on 2nd August 2023, facilitated a constructive platform for engaging discussions among students, including dedicated NSS volunteers, and the district Collector. This event aimed to foster an atmosphere of meaningful dialogue and exchange of ideas regarding pertinent social issues.

The program began with a warm welcome that set a positive tone for the discussions ahead. The district Collector took the stage to shed light on the intricacies of the Mahsul Vibhag (Revenue Department). His comprehensive explanation covered the hierarchical structure of the department, the roles undertaken by various personnel, and the significance of collaborative efforts in ensuring the department's effective operation.

A highlight of the event was the structured Q&A session, where students, including committed female NSS volunteers, posed thought-provoking questions. The topics covered during this session spanned a range of critical subjects, including environmental conservation, urban infrastructure, healthcare accessibility, and technological advancements. This interactive dialogue underscored the collective commitment to addressing pressing concerns and fostering positive changes within the community.

In conclusion, the Yuva Samvad program effectively bridged the gap between the youth and administrative authorities, showcasing the community's active involvement in advocating for constructive change. This event exemplified the power of open dialogue in shaping a brighter future for society.

NATIONAL SERVICE SCHEME (NSS) – SPECIAL CAMP DAY 7

Date: - 9th January 2024

Time: - 7:00 AM to 7:30 PM

Place: - Tandulwadi Village, Saphale

Platform: - Offline

January 9th, 2024, Saphale.

The National Service Scheme (NSS) Council of Fr. Conceicao Rodrigues College of Engineering successfully organized the Seventh Day of our NSS camp. Day 7 began at 7:00 AM with a nostalgic cup of tea, bringing back memories of the brotherhood and shared experiences that defined our time together.

Our 39 NSS volunteers were organized into three groups, each with a unique set of responsibilities. Group 1, the kitchen team, enthusiastically took on the duty of assisting in the preparation of breakfast and lunch. Meanwhile, Group 2, the cleanliness squad, was tasked with cleaning the entire Naik Foundation campus, including the collection and segregation of seven days' worth of camp garbage into wet and dry categories. Lastly, Group 3, the cultural group, embarked on a meaningful journey to Tandulwadi village school to conduct a parenting seminar with the school kids, imparting essential ethics and values of the modern era.

Commencing their tasks at 8:00 AM after a hearty breakfast, each group demonstrated commendable dedication and teamwork. The kitchen team showcased their culinary skills, the cleanliness group transformed the campsite into a spotless environment, and the cultural group engaged with the local community, leaving a positive impact on the village school.

The cultural team went to the school. We organized an activity session for the students as well as for the teachers present in the school. One group of volunteers engaged in a wonderful session with the school students, imparting essential ethics and values and teaching them the importance of the Internet in our day-to-day lives. It was a lifetime experience engaging with the students as we got to live the inner child in ourselves. The second group interacted with the school teachers, conducting a parenting seminar on the new teaching methods.

As the clock struck 2:00 PM, all groups reconvened for lunch, sharing stories and laughter, cherishing the memories of the diverse activities they had undertaken throughout the camp. Post lunch, every volunteer began packing their backpacks, symbolizing the end of a remarkable chapter in their lives.
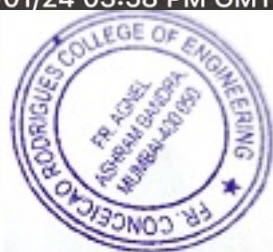

At 4:00 PM, with a sense of fulfilment and accomplishment, all volunteers gathered with the program officers to board the bus, bringing an end to their seven-day sojourn. The journey back to Virar and Borivali was filled with a mix of joy and reflection, as each volunteer carried with them a bag full of memories and a heart full of satisfaction.

The NSS camp of Fr. Conceicao Rodrigues College of Engineering had not only tested the physical endurance of the volunteers but had also woven a tapestry of shared experiences, brotherhood, and personal growth. As the bus reached its destination, the volunteers dispersed with a sense of achievement, knowing that the memories created during the camp would resonate with them for a lifetime. The NSS Council and its dedicated program officers successfully orchestrated a camp that not only instilled a spirit of community service but also fostered lasting bonds among the participants. The impact of the camp would undoubtedly extend beyond its conclusion, inspiring each volunteer to continue their journey towards excellence in their respective fields.

NATIONAL UNITY DAY

Date: 31st October 2023

Time: 11:30 AM to 12:30 PM

Place: Fr. Conceicao Rodrigues College of Engineering, Bandra (W)

Platform: Offline

October 31st, 2023, Mumbai.

The National Service Scheme (NSS) Council of Fr. Conceicao Rodrigues College of Engineering successfully organized a seminar commemorating National Unity Day in Bandra, Mumbai. The National Unity Day Event intending to familiarize people with Sardar Vallabhbhai Patel and promote the spirit of unity. The Bandra police were invited as chief guests, introducing a new concept of Police Shahid Divas. The event commenced with an introduction to Unity Day, explaining its significance, followed by a documentary on Sardar Vallabhbhai Patel. A lively quiz session for firstyear students, based on the documentary, saw enthusiastic participation.

The police officials were then invited to deliver a speech on Unity Day, incorporating insights into Police Shahid Divas we took an oath. The event concluded with a heartfelt tribute to Sardar Vallabhbhai Patel. Flowers and garland adorned Patel Ji's frame, marking the end of our session.

Event Highlights:

1. Police Shahid Divas Concept:

   A   unique element introduced was the concept of Police Shahid Divas on October 21st, acknowledging the sacrifices made by the police force. The Bandra police were honoured as chief guests, adding a distinctive touch to the event.

2. Documentary Screening:

   A   documentary on the life and contributions of Sardar Vallabhbhai Patel was screened. The visual journey through Patel Ji's life served as a compelling means to understand the essence of unity. A meticulously crafted PowerPoint presentation took centre stage, providing attendees   Man of India.

3. Quiz Session:

    An engaging quiz session, based on the documentary, was organized for first-year students. The quiz aimed to test their knowledge about Sardar Vallabhbhai Patel, encouraging active participation and a deeper understanding of his legacy.

4. Speech by Police Officials:

    Distinguished police officials were invited to share their perspectives on Unity Day and shed light on the recently introduced concept of Police Shahid Divas. The officials' speeches not only inspired but also emphasized the importance of unity in maintaining law and order.

5. Tribute to Sardar Vallabhbhai Patel:

    The event concluded with a heartfelt tribute to Sardar Vallabhbhai Patel. Flowers and garlands adorned Patel Ji's frame, symbolizing respect and gratitude for his monumental role in shaping the nation.

Dean Sudhakar Sir graced the event with his presence, adding prestige to the occasion. His support and attendance underscored the importance of such initiatives in the college community. The quiz winners were awarded with coupons as tokens of appreciation. The initiative aimed not only at imparting knowledge but also at recognizing and rewarding the enthusiasm of the participants.

The seminar on National Unity Day Event at Fr. Conceicao Rodrigues College of Engineering in Bandra was a resounding success, thanks to the insightful contributions of the Bandra Police Department and the active participation of NSS volunteers. It served as a reminder of the importance of unity and collaboration in building a peaceful and inclusive society. The seminar served as a platform to celebrate Sardar Vallabhbhai Patel's birth anniversary, fostering a spirit of unity and togetherness. The event successfully blended educational components with interactive sessions, leaving a lasting impact on the participants and reinforcing the importance of unity in a diverse society.

A report by Shreya Joshi, Event Coordinator.
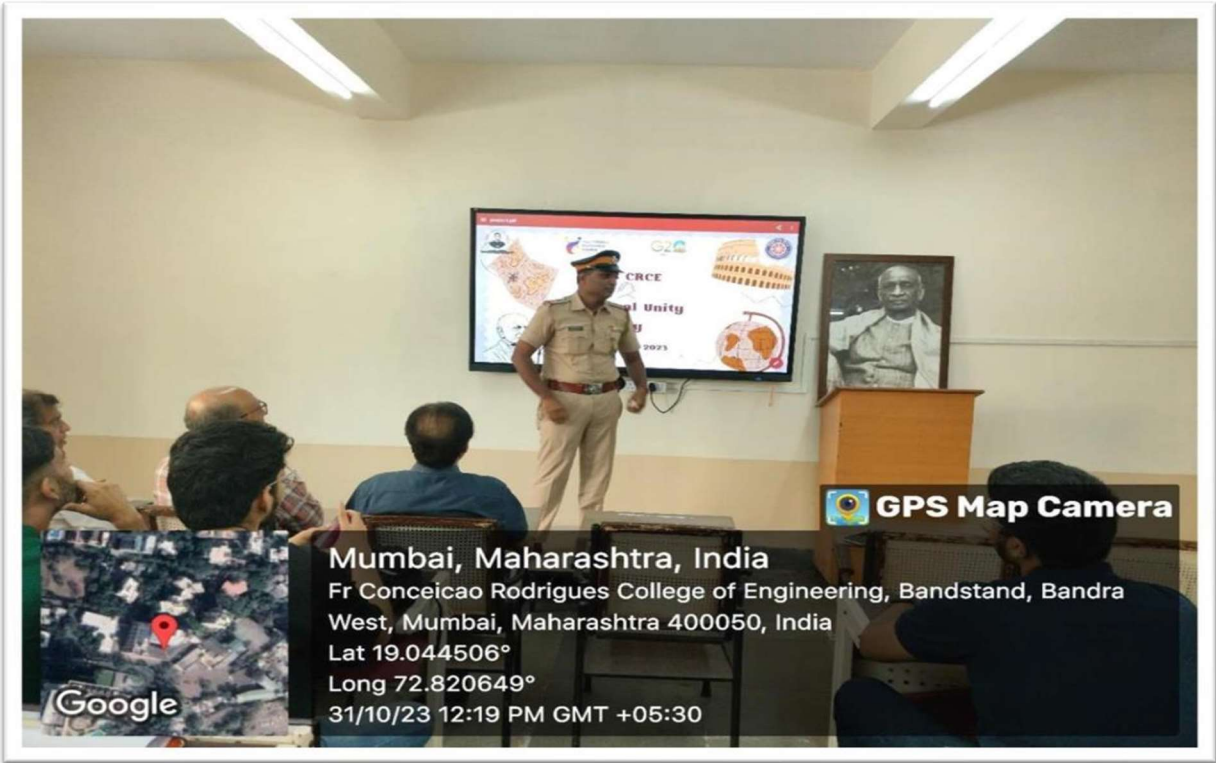

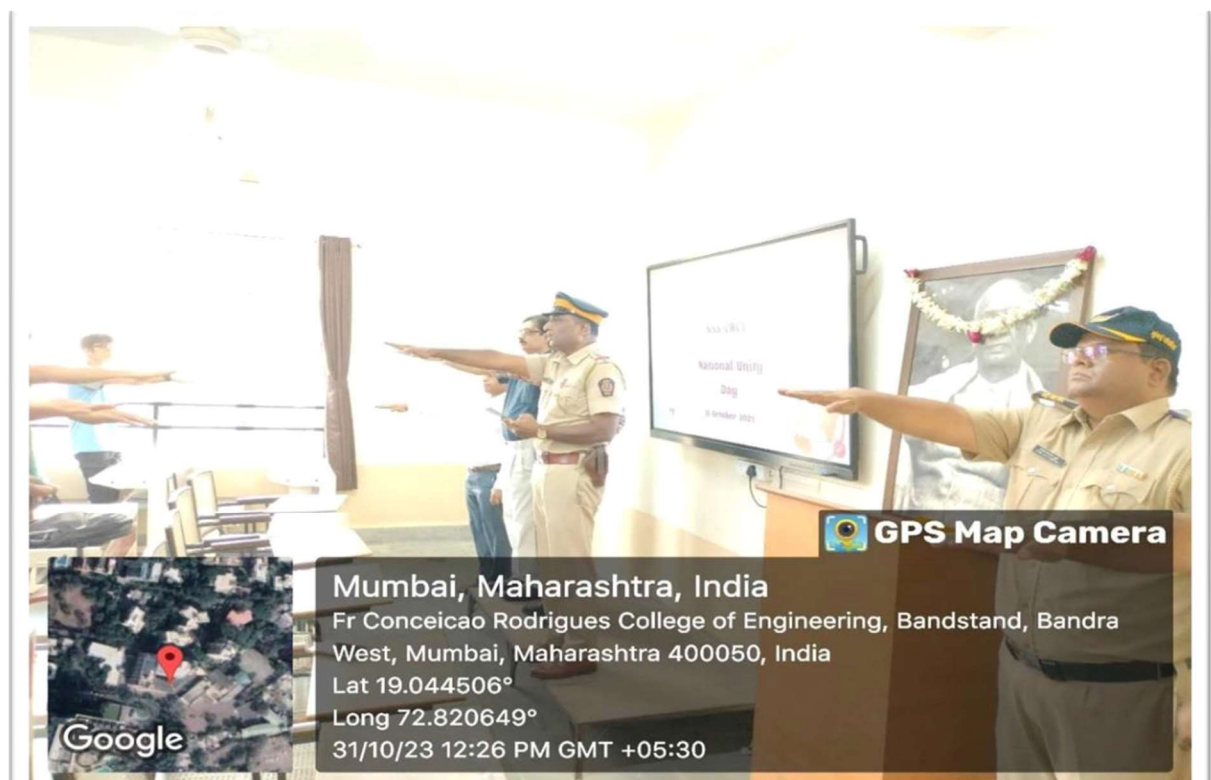

An Insight into the Program:

International Yoga Day 2024 Celebration Report

Event Overview:

Fr. Conceicao Rodrigues College of Engineering celebrated the International Yoga Day on June 21, 2024, with an outstanding online as well as offline event that brought together professors and students for a day of rejuvenation and self-discovery. Led by the esteemed Sarika Chauhan Ma'am, the founder of Simply Yoga with Sarika, the celebration created a unique and tailored experience for the college community. The event, held virtually, featured a single but impactful yoga session, mindful meditation, and inspirational talks, fostering a shared experience of holistic wellness.

Event Highlights:

Expert-Led Yoga Session by Sarika Chauhan Ma'am: The celebration kicked off with a special yoga session led by Sarika Chauhan Ma'am, the founder of Simply Yoga with Sarika. Her expertise guided participants through a series of yoga postures and breathing exercises, specifically designed to promote physical well-being, enhance flexibility, and foster mental clarity. The session, infused with Sarika Chauhan Ma'am unique approach, provided a collective journey toward holistic wellness for the professors and students

Mindful Meditation: Following the invigorating yoga session, participants transitioned into a mindful meditation led by experienced instructors. The session offered a moment of tranquillity, allowing the college community to deepen their mind-body connection. This segment aimed to equip professors and students with valuable tools for stress management and mental resilience, contributing to their overall well-being.

Participant Engagement: The online as well as offline platform facilitated seamless participation, with professors and students joining from the comfort of their homes. The interactive nature of the event allowed for active engagement, enabling participants to ask questions, share experiences, and connect with each other in a virtual space that fostered a sense of community.

Key Takeaways:

Holistic Wellness within the College Community: Participants gained practical insights into holistic we   e impact of

integrating yoga into their daily lives within the college context, guided by Sarika Chauhan Ma'am.

Community Building: The event, conducted by a renowned expert, served as a catalyst for the formation of a supportive community within the college. Professors and students shared experiences, fostering connections that extended beyond the duration of the celebration.

Mind-Body Connection in Academia: Attendees were encouraged to stay connected with their bodies and minds, emphasising the importance of mindfulness in navigating the challenges of academic life, with the expert guidance of Sarika Chauhan Ma'am.

Conclusion:

The International Yoga Day celebration at Fr. Conceicao Rodrigues College of Engineering, led by Sarika Chauhan Ma'am, was a resounding success. The unique expertise and guidance provided a transformative experience for the college community, fostering unity, well-being, and self-discovery. The event's success sets the stage for future engagements, with the organising committee expressing its commitment to building on this success and continuing to nurture a culture of well-being within the college community.

As we reflect on this extraordinary celebration, let us carry the spirit of yoga forward, promoting a healthier and harmonious world.

4. ICT/Computing Skills

ICT/Computing Skills are fundamental in today's digital age, where technology plays a key role in every aspect of life, from education to the workplace. These skills enable individuals to effectively use information and communication technologies (ICT) to perform tasks, solve problems, and communicate efficiently. **ICT/Computing Skills** development programs are designed to equip individuals with the technical expertise and practical knowledge needed to navigate various digital tools and platforms confidently and competently.

Key areas covered in **ICT/Computing Skills** programs include:

1. **Basic Computer Skills**: This includes the fundamentals of using computers, such as understanding operating systems, file management, and essential software applications like word processors, spreadsheets, and presentation tools.
2. **Internet and Web Skills**: Programs focus on how to use the internet effectively, including browsing, searching for information, online communication (e-mail, social media), and ensuring online security and privacy.
3. **Programming and Software Development**: This area covers learning coding languages, software development, and application design. It enables individuals to create websites, apps, and custom solutions, and to understand the basics of software engineering and problem-solving through code.
4. **Data Management and Analysis**: ICT skills also involve understanding how to work with databases, spreadsheets, and other data management tools. Additionally, students learn how to analyze data using statistical software or programming languages like Python or R, which is vital for decision-making in business and research.
5. **Digital Communication Tools**: Mastering digital communication tools like email, video conferencing, and collaborative platforms (e.g., Google Workspace, Microsoft Teams) is a key part of ICT programs. These skills are necessary for effective remote work and team collaboration.
6. **Cybersecurity and Digital Safety**: Programs emphasize understanding the risks associated with digital environments, teaching individuals how to protect themselves from cyber threats, data breaches, and identity theft by implementing safe online practices.

In conclusion, **ICT/Computing Skills** are critical for success in almost every sector, from business to education, healthcare, and beyond. By enhancing proficiency in using digital tools, individuals gain the ability to efficiently   he fast-evolving technological landscape, empowering   .

Natural Language Processing

Congratulations! You have completed all four courses of Natural Language Processing - a DeepLearning.AI Specialization. As part of this Specialization, you have learned both the classical machine learning skills and the state-of-the-art deep learning techniques needed to build NLP systems. You are now equipped to design applications that perform question-answering and sentiment analysis, create tools to translate languages, summarize text, and build chatbots! These, and other NLP applications, will be at the forefront of the coming transformation to an AI-powered future.

3 Courses

Jul 10, 2024

Sherwin Hillary Gonsalves

has successfully completed the online, non-credit Specialization

Machine Learning

Congratulations on completing all three courses of the Machine Learning Specialization! You studied modern machine learning concepts, including supervised learning (linear regression, logistic regression, neural networks, decision trees), unsupervised learning (clustering, anomaly detection), recommender systems, and reinforcement learning. You learned some of the best practices for building machine learning models. You've also gained practical skills to apply machine learning techniques to challenging real-world problems. Now #BreakIntoAI and start building your career in machine learning!

Introduction to Mechanical Engineering Design and Manufacturing with Fusion 360

Modeling and Design for Mechanical Engineers with Autodesk Fusion 360

Simulation Analysis for Mechanical Engineers with Autodesk Fusion 360

CAM and Design Manufacturing for Mechanical Engineers with Autodesk Fusion 360

Jul 2, 2024

Aarya Sanjay Sawant

has successfully completed the online, non-credit Specialization

Autodesk CAD/CAM/CAE for Mechanical Engineering

Andrew Anagnost,
President and Chief
Executive Officer of
Autodesk, Inc.

The demand placed on today's engineers goes above and beyond the job description. Products have become complex and engineers are more frequently asked to leave specialized roles and to take on a wide variety of tasks that are beyond their traditional responsibilities. Engineers need to factor in broader concerns such as cost, procurement, sustainability, manufacturability, and serviceability. This means not only understanding engineering principles that govern the title and role, but also perfecting the toolsets needed to design and develop products. Through this specialization, you'll learn the foundations of ap... ...uter aided engineering (CAE), ...ping your technical skills with...
