- 4.2. Upon request by Monash, you will be required to present originals, certified copies, or notarized copies of documents provided online with your course application after you have commenced your course. We strongly advise that you bring official copies of your results and tests with you to Australia to avoid undue delay in providing these documents to Monash when requested. It does not guarantee the obtainment of a conferred qualification or award of Monash University or Monash College Pty Ltd.

Payments made for expired offers will be handled by the Monash refund procedures as set out in this Agreement.
- 5.2. If there is a balance due for tuition fees for the commencing teaching period, Monash will invoice you for the balance of that teaching period's fees and any other relevant fees after enrolment. Tuition fees for teaching periods will be invoiced as per the dates listed here:
<https://www.monash.edu/students/admin/fees/payment/dates>. To determine the exact tuition fees for your commencing intake, you can check the updated amount for your course at <https://www.study.monash/courses> or <https://www.monash.edu/study-abroad/inbound/before-you-arrive/financial-information> once they have been published. Students will be invoiced for the total value of enrolled units at the start of the relevant teaching period.
- 5.6. Monash reserves the right to adjust tuition fees for future years of your course. Adjustments will be applied on the first day of January each year for teaching periods with a census date thereafter.
- 5.7. You will be issued with new CoE if your course duration has changed as a result of the awarded credit.
- 5.8. If you withdraw from all studies at Monash, and subsequently want to continue your Monash course, you will be required to re-apply for entry to the course. Future offers are not guaranteed, and will be subject to a new ISCA being entered, which will contain new tuition fees.
- 5.9. If you choose to pay more than the minimum tuition fees deposit and/or if the tuition fees paid exceeds your actual teaching period tuition charge because of your enrolment load, you authorize Monash to allocate that overpayment towards your next teaching period's tuition fees. Dear Resham,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois Chicago (UIC) beginning in the Fall 2024 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. Again, congratulations! We look forward to providing you with an outstanding education.

Tuition fees amounts in this section are referring to the **amount of tuition outlined in Part A of your Agreement**. If the tuition fees amount is zero, you should still be aware of the terms and conditions concerning fees at Monash.

Payments made for expired offers will be handled by the Monash refund procedures as set out in this Agreement.
- 5.2. If there is a balance due for tuition fees for the commencing teaching period, Monash will invoice you for the balance of that teaching period's fees and any other relevant fees after enrolment. Tuition fees for teaching periods will be invoiced as per the dates listed here:
<https://www.monash.edu/students/admin/fees/payment/dates>. If you are receiving a sponsorship or scholarship from an organisation other than Monash that covers all or part of your tuition fees, your tuition fees will be invoiced to your sponsor or scholarship provider. - 5.3. The tuition fees set out in Part A will not change except in accordance with this Agreement.
- 5.4. Monash generally sets course fees for the upcoming calendar year, six (6) months in advance. To determine the exact tuition fees for your commencing intake, you can check the updated amount for your course at <https://www.study.monash/courses> or <https://www.monash.edu/study-abroad/inbound/before-you-arrive/financial-information> once they have been published. You will be charged for any difference between the tuition fees in Part A and the actual updated tuition fees for your commencing year after enrolment.
- 5.5. The tuition fees quoted in Part A are based on the calendar year stated and for a standard 1.0 Equivalent Full-Time Study Load (EFTSL) of 48 credit points per year. Any student enrolled in more or less than 48 credit points per year (e.g., intensive courses or exemptions) will be invoiced in accordance with their study load. Students will be invoiced for the total value of enrolled units at the start of the relevant teaching period.
- 5.6. Monash reserves the right to adjust tuition fees for future years of your course. Adjustments will be applied on the first day of January each year for teaching periods with a census date thereafter.
- 5.7. If you are awarded and accept any credit exemptions towards your course **after** you have accepted this offer, the tuition fees and the duration of your course will be adjusted proportionally for the credit points/load of your enrolment. You will be issued with new CoE if your course duration has changed as a result of the awarded credit.
- 5.8. If you withdraw from all studies at Monash, and subsequently want to continue your Monash course, you will be required to re-apply for entry to the course. Future offers are not guaranteed, and will be subject to a new ISCA being entered, which will contain new tuition fees.
- 5.9. If you choose to pay more than the minimum tuition fees deposit and/or if the tuition fees paid exceeds your actual teaching period tuition charge because of your enrolment load, you authorize Monash to allocate that overpayment towards your next teaching period's tuition fees. If wish to use part/all of these pre-paid fees to pay for another course or administration fee at Monash, you authorize Monash to transfer the pre-paid fees towards the new course.
- 5.10. There may be non-tuition fees associated with your course or program. Non-tuition fees are an amount of money that Monash receives from a student or someone on behalf of a student, that is not for tuition. Non-tuition fees include but are not limited to:

Course progress

Student visa condition 8202 states that you must remain enrolled and maintain satisfactory course progress for each student period. Deakin reviews all students' academic progress each study period. For full details, please visit: deakin.edu.au/students/studying/assessment-and-results/academic-progress.

DUELI students undertake several assessments tasks throughout each teaching block. Students are required to pass these assessment tasks in order to progress to the next level, or meet the English language requirements to enter into the intended award course. Students who fail at a given level three times will be unable to progress to the next level. DUELI students are also required to attend 80% of scheduled classes. Students with unsatisfactory attendance will be reported and this may impact on your student visa.

Study support

Deakin has a team of staff and students dedicated to providing study support services to help get the most out of your learning experience. If you are failing assessments and/or do not feel that you are doing as well as you could, please seek help. For full details, please visit: deakin.edu.au/studying.

FEES

Tuition fees

Fees are subject to review each year and may increase to accommodate any increases in the cost of delivering the course and support during your studies. You can choose to pay more than 50% of your tuition fees before course commencement.

Non-tuition fees

Deakin's non-tuition fees and charges can be viewed at deakin.edu.au/other-fees-and-charges.

You may incur other costs while studying your course. For example, there may be costs associated with some units, such as the requirement to obtain a laboratory coat for a chemistry unit. These costs may also vary based on how you choose to obtain items. For example, purchasing text books through the university co-operative, or purchasing stationary online or at a supermarket. You may also find some items you require available as second-hand items.

Overseas Student Health Cover (OSHC)

All international students (and their dependants) are required to have OSHC for the duration of their student visa. Deakin's preferred provider is BUPA. Please refer to the information at the following website for details: deakin.edu.au/international-students/living-in-australia/health-and-safety.

For more information about the BUPA products you can purchase through the Deakin admission process, please visit the following links:

- Single: bupa.com.au/AdvantageOSHCVICIS

The OSHC rate contained in this offer is correct at the time of offer. Please accept your offer as soon as possible to secure this rate. From time to time BUPA will adjust rates and these adjustments may affect the amount you are required to pay. You will be notified if there is a change in the BUPA rate prior to your acceptance.

Department of Home Affairs funds capacity requirements

Financial capacity requirements including cost of living, schooling for school age dependents and access to funds are outlined here: homeaffairs.gov.au/Trav/Stud/More/Student-Visa-Living-Costs-and-Evidence-of-Funds.

Student visa condition 8516 states that you must continue to satisfy the requirements for grant of your student visa. This means, for example, that you continue to have sufficient financial capacity to support your study and stay in Australia.

Non refundable fees:

- DUELI enrolment and DUELI orientation fee
- You will not be granted a refund of course fees if your course has commenced except if approval due to compassionate and compelling circumstances.

You may apply for a refund if compassionate or compelling circumstances exist. An application must be made in writing to the Director of DUELI. Attach proof of payment of the fees (e.g. an official receipt) and evidence of the reasons for applying for a refund must be provided.

Course duration is defined as the total length of your enrolment at DUELI.

Refunds will be made by electronic funds transfer in Australian dollars to the nominated person/sponsor who initially paid the fees. It takes four weeks for a refund application to be processed.

THE UNIVERSITY
of ADELAIDE

Adelaide University

We are building a future-focused university with the objective of delivering a nation-leading curriculum and student experience.

The University of Adelaide and the University of South Australia are working together to combine the strengths of the two universities to create Adelaide University from 1 January 2026. The University of Adelaide will continue to operate until the start of 2026. Subject to legal and regulatory approvals, it is proposed that students enrolled before 2026 and who are yet to finish their studies will transition to the new university in 2026, in either their existing or an equivalent program. We are committed to supporting all students through the transition.

Program information will be published as soon as it becomes available. Find out more at www.adelaideuni.edu.au.

Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit portion of the Acceptance Fee as mentioned within the Acceptance Form will be allocated towards your tuition. Any overpayment of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. Your tuition fees will be based on your enrolment and the fees set for that year.

The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about this program, for more information, please visit www.adelaide.edu.au/degree-finder.

Student Services and Amenities Fee (SSAF)

Students are required to pay an annual fee for the provision of essential, non-academic services. For more information, please visit www.adelaide.edu.au/student/finance/student-services-and-amenities-fee. The 2024 fee is \$351 based on full-time enrolment and is subject to annual increases. Students will be invoiced for this fee separately, after commencing in their program.

Incidental Tuition and Non-Tuition Fees

Students may incur additional costs for items such as field trips, excursions, textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Incidental costs vary between programs. For more information, please visit www.adelaide.edu.au/student/finance/other-fees/.

Overseas Student Health Cover (OSHC)

It is a condition of your student visa that you purchase and maintain Overseas Student Health Cover (OSHC) for the duration of your visa for yourself and any dependants. Some exceptions may apply if you are a student from Sweden, Norway, or Belgium. For more information, please visit www.privatehealth.gov.au/health_insurance/overseas/overseas_student_health_cover.htm.

The University can arrange OSHC for you through Medibank, our preferred supplier, who exclusively offer Comprehensive OSHC to their education partners. Medibank Comprehensive is not available directly and can only be purchased through the University of Adelaide. It meets the student visa requirements for all course types and provides a range of added value services above government minimum requirements. For more information, please visit www.medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc.

The OSHC fee quoted in this Offer of Admission is accurate at the date of issue but is subject to change. The University reserves the right to adjust the OSHC fees in accordance with Medibank's policies and you may be invoiced if there is a difference. You do not have to arrange OSHC through the University you can choose to arrange your own policy directly with an OSHC provider of your choice.

Recognition of Prior Learning (Credit)

If you have been granted credit towards your program it will be listed in the Offer of Admission summary above. If you want your previous studies to be considered for credit, you can apply now before accepting your Offer of Admission. 5. Tuition and non-tuition fees

Tuition fees amounts in this section are referring to the **amount of tuition outlined in Part A of your Agreement**. If the tuition fees amount is zero, you should still be aware of the terms and conditions concerning fees at Monash.

- 5.1. Formal acceptance of this offer involves paying a tuition fees deposit when required and, where applicable, an administration fee, by the offer expiry date along with the signed return of this offer. You must indicate the amounts to be paid for tuition and other items in Part A of this Agreement (this may be pre-filled for you if your ISCA can be accepted online), and provide proof of payment of these amounts to Monash. If the minimum required payments are not made by the offer expiry date, this offer will expire and a further offer may not be made to you. Payments made for expired offers will be handled by the Monash refund procedures as set out in this Agreement.
- 5.2. If there is a balance due for tuition fees for the commencing teaching period, Monash will invoice you for the balance of that teaching period's fees and any other relevant fees after enrolment. Tuition fees for teaching periods will be invoiced as per the dates listed here:
<https://www.monash.edu/students/admin/fees/payment/dates>. If you are receiving a sponsorship or scholarship from an organisation other than Monash that covers all or part of your tuition fees, your tuition fees will be invoiced to your sponsor or scholarship provider. You must provide a financial affidavit or guarantee from your

INTERNATIONAL STUDENT COURSE AGREEMENT

sponsor or scholarship provider as part of acceptance of this offer. Financial affidavits or guarantees must be in English.

- 5.3. The tuition fees set out in Part A will not change except in accordance with this Agreement.
- 5.4. Monash generally sets course fees for the upcoming calendar year, six (6) months in advance. Therefore if you are not scheduled to commence your course in the calendar year shown in Part A, or arrange to defer your course commencement date, your tuition fees may be different to the fees set out in this offer. To determine the exact tuition fees for your commencing intake, you can check the updated amount for your course at <https://www.study.monash/courses> or <https://www.monash.edu/study-abroad/inbound/before-you-arrive/financial-information> once they have been published. You will be charged for any difference between the tuition fees in Part A and the actual updated tuition fees for your commencing year after enrolment.
- 5.5. The tuition fees quoted in Part A are based on the calendar year stated and for a standard 1.0 Equivalent Full-Time Study Load (EFTSL) of 48 credit points per year. Any student enrolled in more or less than 48 credit points per year (e.g., intensive courses or exemptions) will be invoiced in accordance with their study load. Students will be invoiced for the total value of enrolled units at the start of the relevant teaching period.
- 5.6. Monash reserves the right to adjust tuition fees for future years of your course. Adjustments will be applied on the first day of January each year for teaching periods with a census date thereafter.
- 5.7. If you are awarded and accept any credit exemptions towards your course **after** you have accepted this offer, the tuition fees and the duration of your course will be adjusted proportionally for the credit points/load of your enrolment. You will be issued with new CoE if your course duration has changed as a result of the awarded credit.
- 5.8. If you withdraw from all studies at Monash, and subsequently want to continue your Monash course, you will be required to re-apply for entry to the course. Future offers are not guaranteed, and will be subject to a new ISCA being entered, which will contain new tuition fees.
- 5.9. If you choose to pay more than the minimum tuition fees deposit and/or if the tuition fees paid exceeds your actual teaching period tuition charge because of your enrolment load, you authorize Monash to allocate that overpayment towards your next teaching period's tuition fees. If wish to use part/all of these pre-paid fees to pay for another course or administration fee at Monash, you authorize Monash to transfer the pre-paid fees towards the new course.

OSHC

All international students (and their dependents) require Overseas Student Health Cover (OSHC) for the duration of their student and student dependent visas. RMIT can arrange OSHC coverage for you through our official and preferred supplier, Medibank. Fees quoted on the offer letter are indicative and are subject to change on 01 May each year. Alternatively, you can choose to purchase OSHC yourself from an approved Australian health insurance provider.

If you request RMIT to arrange your OSHC, you consent to RMIT providing your personal information, including your name, student ID, birthdate and program start and end dates, to Medibank for the purposes of scheduling your OSHC. You also consent to RMIT representing you in relation to any dealings with Medibank and for RMIT to receive information from Medibank about you (including information of a personal and/or sensitive nature).

In the event of change of preference, change of program or program deferral, you permit RMIT to adjust the duration and amount of your OSHC based on your program acceptance/s.

For more information about OSHC, please visit: <https://www.rmit.edu.au/study-with-us/international-students/apply-to-rmit-international-students/student-visas/health-cover-requirements>.

Visas and Change of Provider (Release)

If you are intending on applying for a student visa or you already have a student visa, RMIT will provide you with an electronic confirmation of enrolment (eCOE) for each program that you accept. Students transferring to RMIT from another Australian education provider, prior to completing six months of your principal course, may be required to obtain a release from the current education provider before an RMIT eCoE can be issued.

Maintaining your Electronic Confirmation of Enrolment (eCOE)

Your eCOE duration assumes that you will make satisfactory academic progress within the program dates that you enrol. Any changes to your program completion date(s) due to unsatisfactory academic progress or any other reason may require you to extend your Australian student visa. More information about academic progress can be found here: <https://www.rmit.edu.au/students/student-essentials/assessment-and-exams/academic-progress/international-students>

General information about applying for a new eCoe can be found here: <https://www.rmit.edu.au/students/student-essentials/assessment-and-results/academic-progress>

Accompanying Information and Conditions of Offer

University Laws

1. In accepting an offer of a place at Cranfield University you are agreeing to comply with:
 1. the provisions of all the Laws of the University that concern registered students
 2. the documents which are referred to in the Laws and which supplement them, including the General Student Handbook, which is issued annually
 3. the terms and conditions of this document ('these terms')

You are strongly advised to read these terms and the General Student Handbook before accepting an offer of a place at Cranfield.

2. In addition to complying with these terms, the University is also required to comply with various legal duties, for example:
 1. under the Equality Act 2010, including the duty to have due regard to the need to advance equality of opportunity and to eliminate discrimination, harassment, victimisation and other conduct prohibited under the Equality Act
 2. in respect of freedom of speech pursuant to the Education (No 2) Act 1986.

These legal duties can change if the law changes.

3. The Laws of the University can be found at:

www.cranfield.ac.uk/about/governance-and-policies

The General Student Handbook along with other Senate Handbooks can be found at:

www.cranfield.ac.uk/about/governance-and-policies/quality-assurance

The University's Student Protection Plan can be found at:

www.cranfield.ac.uk/studentprotectionplan

Please note that the Laws of the University, the General Student Handbook, the Student Protection Plan and the documents which are referred to in the Laws may be updated periodically to reflect best practice or to improve the running of the University and the student experience. You are required to abide by such changes whilst you are a registered student.

Payment of Tuition Fees

4. Tuition fees are payable annually in advance.^[1] Where courses extend beyond a 12 month period, tuition fees will usually be due for each year of study. The first year's fees must be paid on or before initial registration, unless satisfactory guarantee of payment has been provided by a sponsor acceptable to the University on your behalf in the form of a written acceptance of liability to pay from a recognised award making body, an overseas government or a recognised employer. Your sponsor must provide written evidence of accepting such financial liability before you register at the University. An undertaking from a private individual is not sufficient. If your sponsor fails to honour their commitment to pay your tuition fees, you will be personally liable for their payment to ensure your continuing registration. You cannot abrogate this personal liability to your sponsor.
5. Tuition fees for subsequent years must be paid on an annual basis at the beginning of each year of study unless alternative arrangements are outlined in your course offer letter. For degree programmes lasting more than one year, the tuition fees for subsequent years will be as stated in your offer letter, and will not

increase in line with inflation or other measure. Where your offer for a masters course is dependent on successful completion of a pre-masters course at the University, the tuition fee for both the pre-masters course and the masters course onto which you may then progress will be as stated in your offer letter, and will not increase in line with inflation or other measure.

6. For some part time taught courses the tuition fee comprises an annual registration fee and a fee for each taught module. The first year's registration fee must be paid on or before initial registration and thereafter on an annual basis at the beginning of each year of study. Fees for each taught module will be invoiced individually when the module is attended.
7. For some research courses, an Additional Fee Element will be payable in addition to the published research tuition fee. The Additional Fee Element covers additional costs associated with, for example; programme management support, support from specialist laboratory technicians, access to specific technical equipment, facilities and analytic equipment. The Additional Fee Element, where applicable, will be outlined in the course offer letter and must be paid on an annual basis at the beginning of each year of study.
8. The tuition fee includes all fees for registration, tuition and the initial assessment during the specified registration period. The University reserves the right to charge additional tuition fees for changes or extensions to the registration period, for example for additional or remedial tuition and assessment. Fees for extensions will be calculated on a monthly basis as set out in the fees information, which can be found at www.cranfield.ac.uk/Study/Taught-degrees/Fees-and-funding.
9. The tuition fee also includes membership of the Cranfield Student Association, while you are a registered student of the University, but does not include membership of the Shrivenham Station Officers' Mess for students based at the Shrivenham Campus.
10. The tuition fee does not include accommodation costs, or materials required of you for your private study.
11. Failure to pay your tuition fee may result in the early termination of studies: there is no right of appeal against the decision of the University under these circumstances.
12. If you withdraw from your course of study, or if your registration is terminated early by the University, you are not entitled to a refund of your tuition fee, save at the discretion of the University as provided for in the Student Protection Plan. You may also be liable to repay any form of grant, bursary or other form of financial assistance already paid to you subject to an apportionment for that part of the course that you attended prior to your withdrawal.
13. A deposit may be required to secure a place on some courses following acceptance of offer. Details of which courses require a deposit can be found on our web pages and are outlined in the course offer letter. Deposits will be offset against the tuition fee and are usually non-refundable, except in certain circumstances outside of a student's control. Guidance on the circumstances in which the University is able to refund a deposit can be found at www.cranfield.ac.uk/study/taught-degrees/fees-and-funding.
14. For Level 7 Apprenticeships (Masterships®), levy paying employers may use their apprenticeship service account to fund your training course, up to the funding band maximum. Non-levy paying employer accepted by the University, may arrange co-investment whereby the employer pays a percentage of your training course, up to the funding band maximum, with the remainder being financed by the Government. All employers, whether levy paying or non-levy paying are liable to pay to Cranfield University any amount charged which are above the funding band maximum (Top-up Fees), as well as any payment for the re-sit of your end-point assessment (if required) and/or any fees incurred by the End-Point Assessment Organisation in relation to such re-sit. Please note that your employer must connect to the Education and Skills Funding Agency (ESFA) Digital Apprenticeship Service (DAS) by a specific cut-off date to be advised upon by the University at a later date and shall be liable for the full or part of your training fee which cannot be recovered by the University from the ESFA. Further information with regards to financing an apprenticeship can be found at <https://www.cranfield.ac.uk/about/masterships/employers-financing>. You and your employer must observe the ESFA Funding Rules during the whole period of your training - <https://www.gov.uk/guidance/apprenticeship-funding-rules>. The ESFA requires the establishment of an agreement between the employer and the University. We therefore require that your employer signs our Mastership Agreement, which sets out our relationship. The ESFA also requires the establishment of a tripartite Commitment Statement between your employer, you and the University; and an Apprenticeship Agreement between yourself and your employer. The University require a signed copy of all such agreements before the start of the training. Copies of our legal forms are available for

Other Expenses

15. You are responsible for your own living expenses, and must therefore ensure that you have secured the necessary funding before starting your course. Guidance on appropriate levels of living expenses is provided in the University prospectus. No assistance from the University may be assumed, except for bursaries as notified in writing in advance of registration in your offer letter. Any offer of a Post Graduate Research Studentship is subject to the acceptance of the University's studentship terms and conditions.

Intellectual Property Rights

16. Intellectual property rights (as used in this paragraph) means all rights to inventions, patents, copyright and related rights, moral rights, trade marks, rights in designs, rights in computer software, database rights, plant breeders rights, know-how, trademarks and all other intellectual property rights, in each case whether registered or unregistered and including all applications, and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist existing now or in the future in any part of the world.
17. Intellectual property may arise or be created by you in the course of work carried out as part of your course of studies, including in any theses or other work or results prepared and/or submitted by you in the course of your studies. All such intellectual property shall, except where specifically agreed otherwise in writing between you and the University, belong to and vest in the University, and all rights in such intellectual property are and shall be assigned to and vested in the University.^[2] The University will not withhold permission to publish your work unreasonably.

Duration of Study

18. The dates in your offer letter indicate the 'defined period of study' associated with the course you have applied for. For full-time students, this represents continuous study throughout this period. For part-time students and students taking short courses for credit, this represents the maximum period of time within which the University would normally have expected you to complete all elements of the course. An extension to the period of study will always incur additional tuition fees (see paragraph 8).
19. Please note that you will be registered with the University for longer than the defined period of study. Your registration period may also include any approved periods of time relating to the deferment of submission of a thesis, or any re-presentation or correction of a thesis. It will also include the period of time between the submission of the final piece of work for assessment and confirmation of a final result. These terms will continue to apply whilst you remain registered.

Period of Offer

20. Except where agreed otherwise in writing, an offer of admission will remain open for 28 days only or up to the start date of the course whichever is earlier. Your attention is also drawn to the limited circumstances in which an offer may be withdrawn by the University (see paragraphs 21, 22, 23 and 27).

Withdrawal of Offer

21. The University reserves the right to withdraw this offer if any of the information provided by you at the point of offer is found to be incorrect or incomplete or if you fail to provide satisfactory information or evidence which confirms that you can meet one or more of the conditions contained in this letter.
22. The University may withdraw the offer if a deposit required to secure a place on the course is not paid by the deadline outlined in the course offer letter.
23. The University may also withdraw this offer prior to the start of the course if it unexpectedly is unable to provide the advertised course of study. This may happen in circumstances outside of the control of the University (e.g. unplanned absences of key members of academic staff, changes to external regulatory

environments, including UK government public health advice, insufficient demand for a course to the extent where the University believes the student experience would be significantly impacted). In these circumstances, the University will refund any monies already paid to it by you or your sponsor and will endeavour to recommend alternative courses of study which may suit your learning requirements.

Right to Cancel

24. You have the right to cancel your contract with the University within 14 days of the date on which the contract is concluded. After that date any deposit paid may be forfeit subject to the discretion of the University.

Proof of Identity and Qualifications

25. On registration, you must provide proof of your identity, which is normally limited to your passport, or original birth certificate with a form of photo identification. You must also provide proof of your right to study in the United Kingdom, and proof of your academic and professional qualifications.

Permission to Study in the UK

26. If you require a visa or similar permission (for example an Academic Technology Approval Scheme certificate) to study in the UK, you must ensure that you have the correct visa or permission and that you abide by its terms. If you do not have the correct visa or permission, or if you do not comply with its terms, this may result in the early termination of your studies and registration. It is your responsibility to ensure that you have the correct visa and permissions.

Permission to Study at the Shrivenham Campus

27. If you have applied for a course at the Shrivenham Campus your offer (and registration) is subject to on-going appropriate security clearance to attend a UK Ministry of Defence (MOD) site. This will also apply to any modules or part-modules at the Shivenham campus that are otherwise part of courses mainly delivered at the Cranfield campus. Generally this clearance is in line with the national BPSS^[3] protocols (or equivalent) but may be revised from time to time dependent on national security requirements. Inability to access the Shrivenham Campus will result in a withdrawal of offer or, if already registered, a termination of registration. In the case of courses delivered at the Cranfield campus, it may result in a reduction of the choice of modules available. You should also note that personnel in financial debt to the MOD will also be refused entry to the site until such debts are settled.

Data Protection

28. The University will need to process your personal information (whether supplied by you or by third parties) to process your offer and (if you register as a student of Cranfield University) to manage your student record and student experience. This will include the University sharing your data with other bodies where this may be required for managing your experience and for statutory or other legal reasons.
29. Your attention is drawn to the University's Data Protection and Privacy Policy contained in the Senate General Student Handbook. This includes further detail on data sharing with other bodies.

Support for Students with Disabilities or Learning Difficulties

30. If you think that you are likely to require any support because of a disability and/or learning difficulty while you are on the course, you are strongly advised to contact the University for further advice or guidance. All requests for support will be considered in line with the criteria for 'reasonable adjustments' as outlined in the Equality Act 2010. The University encourages you to contact it as soon as possible to allow for a full discussion of support arrangements available and to ensure that these can be put in place at the earliest opportunity.

Proper Law and Jurisdiction

31. In accepting an offer of a place at Cranfield University, you are agreeing that the resulting contract between us shall be governed by and construed in accordance with the law of England and you submit to the exclusive jurisdiction of the courts of England.

Changes to the Advertised Academic Provision

32. The University undertakes to use all reasonable endeavours to provide the necessary teaching, supervision and academic facilities. The University cannot guarantee that teaching or supervision will be provided by any particular named individuals.
33. Our courses are subject to continuing development and changed circumstances may necessitate alteration to them. Whilst the University makes every effort to keep changes to a minimum, printed literature may become out of date and you should check the website for up to date information. The University will make every effort to provide the course as outlined in the prospectus of the University at the time of offer, subject to paragraph 34 below.
34. The University reserves the right to make variations due to circumstances outside of its control (including but not limited to unplanned absences of key members of academic staff, and changes to external regulatory environments including UK government public health advice), and will make every effort to minimise any disruption to the student experience. Other circumstances which involve changes to the programme of study (limited to changes to courses deemed by the University to be beneficial to the learning experience) will only be made in consultation with the registered students affected by the proposed change.

Limitation of the University's Liability to You and Others, and Matters Outside Your or our Control

35. Nothing in these terms shall limit the University's liability to you:
 1. for death or personal injury resulting from negligence (as defined in the Consumer Rights Act 2015);
 2. for fraud or fraudulent misrepresentation;
 3. under the Equality Act 2010;
 4. under section 57 of the Consumer Rights Act 2015.

References to legislation include reference to any amendments, extensions or re-enactments of such legislation.

36. Subject to paragraph 35 above, the University's liability under or in connection with these terms whether arising in contract, tort, negligence, breach of statutory duty or in any other way, shall not exceed the total of the course fees paid and due to be paid by you under this agreement to the University.
37. For the purposes of paragraphs 35 and 36 'University' also includes the officers, employees and agents of the University, and those paragraphs may be enforced by such officers, employees and agents. Otherwise, neither party intends that any of these terms will be enforceable by any third party.
38. Neither you nor the University shall be liable to the other arising from matters outside of your or the University's control and which could not have been foreseen or prevented even if you or the University had taken reasonable care. This includes but is not limited to: strikes, other industrial action, staff illness, severe weather, fire, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not), natural disaster, restrictions imposed by government or public authorities, epidemic or pandemic disease, or failure of public utilities or transport systems.
